Corporate Social Responsibility Activities

Federal-Mogul is committed to serve society through its CSR initiatives with the main focus on women empowerment, health, hygiene and education of under-privileged children.

Our CSR strategy focuses on people, society and planet, and prioritizes issues most important to our business and stakeholders, and areas where we can make the greatest impact.

As you read through this report, we hope you'll see that our social and environmental programmes address fundamental issues that are important to people all over the world. Through this CSR Report we wish to communicate our approach, objectives, progress and challenges around these high-level priorities:

Federal-Mogul truly believes that we are at our best when we combine our business strength with our desire to do good in the world.

Gurugram

Support to Ghar Angna School –

Federal-Mogul has been supporting this school for the last two years. Our hearty congratulations to Ghar Angna School, upon the school achieving 100% result. We acknowledge the sincere efforts made by the teachers of this school. The school was started with 80 children and has now a strength of 150 children.

Preventive Healthcare –

The Company has been working with 'The Earth Saviours Foundation', which is an internationally recognized NGO, situated in Gurugram. The Foundation is dedicated to serve less privileged people and is also making every possible effort to protect the environment.

Presently around 300 abandoned senior citizens and disabled people are living at the Gurukul located at Bandhwari Village, Gurugram, where all the basic facilities including dormitory accommodation, hygienically prepared meals, medical facilities and day to day needs are given to them completely free of charge.

Federal-Mogul has constructed 2 big halls at the Gurukul for the inmates to provide them safety and protection against extreme weather conditions.

PATIALA PLANT

The Company feels proud in being associated with Society for Welfare of The Handicapped, which is a pioneer in North India in the field of education of children with special needs. It was established in 1967 and manages the following schools:

1. Patiala School for the Blind
2. Patiala School for the Deaf
3. Patiala School for the Deaf-Blind (for children with multiple disabilities)

The school at present has total of 185 deaf and 60 blind students, who are provided free/subsidised education and hostel facility. Under the banner of Corporate Social Responsibility programmes, this year too, the Company distributed school uniforms to all students at the beginning of the session and supported them with furniture for the new academic block.

Most of the young people turning 18 are unaware of the range of options available to them. The simple reality is that in a rapidly changing world, they're also not fully equipped with the resources to do so successfully.

Girl students of SOS children village, Rajpura were taken to Patiala Girls ITI to give them good starting point to better understand the range of job options available and what skills employers are looking for. They were informed about various courses available at ITI which can help them in planning their career.

The Company has been associated with SNS Foundation for the technical skill development of women

Graduation Ceremony of students of the 2-Wheeler Engine Maintenance Training Course was held in Gurugram on 18th Nov, 2016. It is heartening to see the initiatives, started in 2015 along with SNS foundation, growing in stature. More than 100 students trained in the past one year have been successfully placed in various automotive dealership workshops. This advanced 12 weeks, two-wheeler engine course prepares these deprived & needy students to become skilled and confident contributors of the society.
