Snapshots from

Chairman's Message

Dear Shareholders,

I would take this opportunity to share with you some major developments during the last Financial Year.

Your company has been able to register a moderate growth over last financial year despite negative sentiments in the industry. The Board of Directors of your company has recommended a dividend of 25% (Rs. 2.50 per share) for the Financial Year 2007-08.

For quite some time the Automobile Industry is passing through a difficult phase. High Interest rates coupled with higher inflation have dampened the spirit of Indian Consumers, leading to a sharp decline in growth of Automobile Industry and in turn left adverse impact on Automotive Industry.

However, we believe this is a temporary phase and growing population, increasing trend of owning personal vehicles, cropping up of satellite townships and growing rural economy will be the major growth drivers for automobile industry which will result in growth of the automotive industry. Further, Global Automobile majors are seeing India as a major sourcing hub, opening new growth opportunities for Indian Automotive Industry.

Taking above factors into consideration, your company is increasing its capacities and setting up more manufacturing units to tap the growth opportunities.

On behalf of the Board, I express my sincere thanks to all of you for the trust and confidence reposed on us.

Thank You!

J.K. Jain
Chairman & Managing Director
