CHAIRMAN'S ADDRESS TO SHAREHOLDERS

Dear Shareholders,

I look forward to your continued support in the year ahead and wish you the very best. It gives me great pleasure to welcome all of you at the 19th Annual General Meeting of YOUR COMPANY.

At a time when the Indian economy is experiencing a slowdown due to global and domestic turbulence and policy formulations aimed at curbing inflationary pressures having a depressing impact on productivity and growth the real estate sector too is faced with formidable challenges.

Uninterrupted access to affordable finance is vital for the health of the urban infrastructure and housing sector. In my view, care should be taken in formulating monetary policies to ensure that tightening of credit aimed at combating inflation does not have the unintended side-effect of stunting the growth of the real estate development industry.

It is my firm belief that the housing and construction sector is poised to become the next big driver of growth in India. The Economic Survey for 2011-12 credits the housing sector for contributing about 5 percent to India's GDP. With linkages to more than 250 ancillary industries, the housing and urban infrastructure sector has a major multiplier effect on the entire economy, providing jobs across the spectrum, right from highly qualified engineers and architects to unskilled labourers, thereby promoting the cause of inclusive growth.

YOUR COMPANY under trying circumstances was focused on execution and demonstrated its capability by launching various construction projects. Company as also ventured into Media Segment where Company has successfully launched various teen pageants like "Fact Universal Teen Pageant 2", Fact Supermodels 2.

CHAIRMAN'S ADDRESS TO SHAREHOLDERS
