Chairman's Message

In a competitive business environment, your Company has delivered an improved performance for the year 2018-19.

Dear Shareholders,

I am pleased to present before you the 38th annual report of your Company.

In a competitive business environment, your Company has delivered an improved performance for the year 2018-19. We continue to carry forward the values that form our foundation, as we move onwards and upwards.

While our industry faced challenges led by volatility in the price of PVC and softer demand growth in PVC Pipes & Fittings, Finolex reported a healthy double-digit growth of 12.91% in revenue from operations to ₹ 3,091 Crore. The bottom line registered a growth rate of 17.18% to ₹ 350 Crore with a healthy margin of 11.32%.

In the coming years, we believe there would be a robust growth in the pipes & fittings market considering the government's thrust on development. Programs including Pradhan Mantri Krishi Sinchai Yoiana (Prime Minister Agriculture Irrigation Scheme), and increased allocation towards agricultural and allied activities, namely, irrigation facilities, building agri-market infrastructure and the introduction of the Kisan credit card to farmers, could lead to a rise in demand for agriculture pipes and fittings. In the non-agricultural segment, significant demand push from various initiatives including 'Housing for All 2020' and Smart City Mission, could see a rise in domestic pipes & fittings.

In the coming years, we propose to increase our capacities, broaden our dealer/retailer network and add new products to our portfolio. We remain focused on achieving growth and delivering quality products.

Mukul Madhay Foundation (MMF), our CSR Partner, continues to be an integral part of our CSR activities to help those who are less fortunate. Our focus areas include:

- Education
- Healthcare
- Sanitation
- Skill development
- Social Welfare
- Water conservation

I am delighted to inform you that your director and Managing Trustee of MMF Mrs. Ritu Prakash Chhabria. was felicitated with 'Pune Gaurav Puraskar' for her outstanding contribution to the society, at the hands of renowned Social Activist Smt. Medha tai Patkar in the presence of Dr. Neelam Gorhe, Dy. Speaker, Maharashtra Legislative Council. MMF has received an appreciation certificate from Vadodara District Collector, Gujarat for installation of rain water harvesting kit at Muval Primary School for the Government's Suialam Sufalam Project.

The year that went by was a very successful one and all of this would not have been possible without the efforts and hard work of

our employees. At Finolex, employees are at the centre of everything we do, as a result we continuously ensure their well-being with regular training and development programs to enhance their skills and competencies.

I would like to express my appreciation to every Board member for their invaluable contribution. I would also like to thank the entire management team at Finolex for their commitment and passion. that has enabled us keep up pace and profits consistently.

In conclusion, I would like to appreciate our shareholders' continued support and shared belief of driving Finolex to be a market leader.

I look forward to another exciting year ahead.

Regards

Prakash P. Chhabria Executive Chairman
