## CHAIRMAN'S MESSAGE

Dear Shareholders,

Analysts agree that despite the volatility in global markets, the economy is well poised for growth. Emerging economies are expected to lead that growth and India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation and International Monetary Fund. Strong government reforms and RBI's sustained focus on reducing inflation combined with benign global commodity prices, provided the impetus needed to improve India's economic fundamentals in 2016. Against this backdrop, Focus Industrial Resources Limited stayed focused on creating value for its stakeholders. Value that is transformational and long lasting for investors, customers, employees and the community at large.

There is no greater motivation for us than the confidence you continue to repose in us. I would like to reiterate that in an increasingly uncertain global economic world, we never lose sight of the reason we are here to serve our customers, work with our partners to offer best in class products, help communities and, of course, to continuously repay the trust that you, our shareholders, place in us. Led by our long-term vision to become a global leader in the industry and guided by our values, we continued to implement our strategy of building scale across various geographies and increasing market share. Our clear focus on this strategy and the dedication of our employees despite a highly volatile and challenging business environment is always present. But this is the past and your company does not rest on its laurels!

Presently, we are at a stage where we are defining the future and will then build it on the strong foundations of the past.

The macroeconomic environment during FY16 showed signs of stability helped by low global crude prices, a comfortable current account deficit and a manageable fiscal deficit. The Government maintained its fiscal consolidation path with a fiscal deficit target of 3.5 percent of GDP for FY17. Further monetary policy easing will depend on various factors, domestic and international, but inflation and monsoons will play an important role in this regard. The Government is now two years into its tenure and has steadily been taking steps to catalyse a more sustained revival of the growth cycle.

The underlying theme of the Union Budget presented in February 2016 was 'Transform India' with emphasis on increasing public investments in rural India and in social and physical infrastructure. Public investment in agriculture and irrigation has been increased from 25,988 crore in FY16 to 54,212 crore in FY17. This will go a long way in improving productivity of the drought prone farming sector. Government investment in infrastructure and energy is likely to go up to 246,246 crore in FY17 from 180,610 crore in FY16. The increase is led by investments in roads and railways which will bring down logistics costs and time in transporting goods. Apart from this, the Government will invest 25,000 crore during the year to recapitalize PSU banks. In order to increase productivity of human capital, the Government has made significant allocations for welfare schemes for

women and children. The above allocations along with an emphasis on improving productivity of job seekers through skill training of youth and a much better business climate in the form of focus on ease of doing business, will be the key drivers for improving the country's growth and investment outlook.

At Focus Industrial Resources Limited, we take this responsibility very seriously which is why we are constantly challenging ourselves to go beyond boundaries and set notions. We are exploring newer geographies in which to spread our wings and expand. We are innovating consistently to provide a better and safer ride experience. We are working towards a better future for our people and our communities. And striving hard to ensure that we remain a responsible, value-creating global organisation. Therefore, we are always seeking newer horizons, and newer opportunities.

I would like to thank all our stakeholders for their faith in Focus and for their constant support. We will continue to

stay focused on creating value for both external and internal stakeholders. Do share your ideas and feedback with me [info@focuslimited.info](mailto:info@focuslimited.info) to help us in our mission of creating value for our stakeholders.

Join me in encouraging the Management to scale further heights. Which, I'm sure, it will

Regards,

Sd/-
