Item No. 7:

The Company is finalizing a rehabilitation scheme for submission to Board for Industrial and Financial Reconstruction (BIFR) under the provision of Sick Industrial Companies (Special Provisions) Act, 1985 and as a matter of abundant caution, is taking the shareholders into confidence and seeking their consent for Draft Rehabilitation Scheme. The draft rehabilitation scheme outlines the strategies for rehabilitation which, inter alia, includes proposal for reduction of capital to the extent of 90% of the face value in order to write off carried forward losses; write off Reserves and Surplus against accumulated losses. Subsequent to the reduction of capital as above, as part of the rehabilitation scheme, promoters are bringing in Rs. 475 lacs out of which Rs. 175 lacs is proposed to be in the form of equity share capital and balance Rs. 300 lacs as unsecured loan. The amount of Rs. 175 lacs being brought in by them will be against issue of 1,75,00,000 equity shares of Re. 1 each for cash at par. Further, in the past, the promoters have from time to time extended unsecured loans to the company to meet its various requirements including settlement of creditors. A sum of Rs. 1802.23 lacs is outstanding as unsecured loans payable by the company to the promoters as on 31.3.2010. It is now provided in the scheme for conversion of the said unsecured loans taken from companies belonging to promoter group into equity shares of Re. 1 each at premium of Rs. 3 per share, (or such other number of shares and at such other price as may be stipulated by BIFR) in order to strengthen the capital base after reduction of capital and write-off of Reserves and Surplus. It may be mentioned here that the shareholders had earlier approved the reduction of capital in their meeting held in 2008. The Draft Rehabilitation Scheme will be presented to BIFR for their approval and will be subject to such changes as may be required by BIFR while sanctioning the Scheme.

Your Directors are confident that with the implementation of Rehabilitation Scheme and with proposed capital expenditure programme to manufacture maleic anhydride through alternative process of using N-butane as raw material, the company will be in a position to revive its business strongly and regain its place in the industry.

This resolution is sought to be passed as Special Resolution. The Board recommends the resolution for the approval of the members.

None of the Directors are concerned or interested in this resolution except the promoter directors, Mr. Rishi Pilani, Mr. Ramakant Pilani and Mr. Ravi Pilani who may be deemed to be interested to the extent of shares that may be allotted to promoter group companies as aforesaid.

Item No. 8:

Upon sanction / implementation of the rehabilitation programme, the company is proposing to take up capital expenditure programme to revamp its existing manufacturing facilities and to install additional facilities for manufacture of maleic anhydride from n-butane. In order to fund these business plans, it is proposed to raise funds from capital market. The expected requirement of funds including for working capital requirements, is estimated presently at around Rs. 200 crores. The directors seek flexibility to decide on the exact nature of fund-raising which may be through a rights issue or a follow-on Public Offer or through OJP placement or preferential allotment to strategic investors. This is an enabling resolution to authorize the Board to find the best possible way to raise funds to meet the new project as well as in expansion of existing business. The Board will decide the issue size, mode of issue, price of issue and the terms of issue within the limit approved by shareholders subject to approval by regulatory authorities. Consent of the shareholders is required for issue of shares to the persons other than the shareholders of the Company. Hence, your consent is sought under Section 81 (1A) of the Companies Act, 1956 for issue of securities to the persons or entities other than its shareholders.

This resolution is required to be passed as Special Resolution. The Board recommends the resolution for the approval of the members.

None of the Directors are concerned or interested in this resolution.

Item No. 9 & 10

Upon sanction of the Rehabilitation scheme by the BIFR and the paid up share capital of the company is proposed to be reduced by 90% by writing off Rs. 9 per share out of the face value

of Rs. 10 per share. Consequently, the authorized capital would also be reconstituted to comprise of equity shares of Re.1 instead of Rs. 10 per share. As a result, the company's authorized share capital will be Rs. 18 crores comprising 18 crore equity shares of Re.1 each. This is proposed to be increased to Rs. 40 crores as the company intends to raise equity funds from capital market for the purpose of meeting its proposed capital expenditure to revamp the existing facilities and also to put up additional facilities for manufacturing maleic anhydride with n-butane as raw material. Hence it is necessary, after completion of BIFR sanction for the rehabilitation scheme, to increase the authorized share capital from Rs. 18,00,00,000 (Rupees Eighteen crores) to Rs. 40,00,00,000 (Rupees forty crores). This will comprise of 40,00,00,000 (Forty crore) shares of Re. 1 each.

An ordinary resolution is therefore proposed at item No. 6 of the accompanying notice for increase in Authorised Share Capital to Rs. 40 crores and consequent alteration of Clause V of the Memorandum of Association as a result of increase in the Authorised Share Capital.

A Special Resolution is also proposed under Section 31 of the Companies Act, 1956 at Item No. 10 of the accompanying notice for alteration of Articles of Association for the aforesaid increase in Authorised Share Capital. Both these resolutions will become operative after completion of BIFR sanction for the rehabilitation proposal.

The Board commend the approval by the members of the said resolutions.

A printed copy of the Memorandum and Articles of Association is open for inspection by the Members at the Registered Office of the Company between 11.00 a.m. and 1.00 p.m. on any working day.

None of the Directors of the Company is interested in the said resolutions.
