CONSOLIDATED ACCOUNTS

6. In compliance with Accounting Standard 21 of The Institute of Chartered Accountants of India, consolidated accounts are annexed hereto.

MANAGEMENT DISCUSSION AND ANALYSIS ON OPERATIONS

OPERATIONS

7. Sales during the period under review increased mainly on account of supply of full value components (including raw materials) by the Metal Pressings Division as against conversion of customers' materials in the previous year, and increase in income from other sources.
8. As in the previous year, your Directors are pleased to report that this year too, the Company has registered increase in profit before tax mainly due to increase in other income and improved profitability of the Metal Pressings Division.
9. Metal Pressings Division at Pune registered an increase in turnover due to supply of full value components throughout the year under review. There was improvement in demand in the automobile and tractor sector which resulted in sustained demand for the components supplied by the division. The improved margins on products supplied with Company's raw materials helped the division in achieving higher operating profit.

Although the growth in the automobile and tractor segments is expected to remain strong in the near term entry of a large number of players of repute in this field has resulted in keen competition in the highly price sensitive domestic market. There is tremendous pressure on component suppliers for price reduction. Hence cost control and productivity improvement are under constant focus in the division.

10. Production and sale of steel wood screws from the recently started Screws and Fasteners Division at the Pune plant of the Company has commenced during the year under review. Since the product is entering the market after a lapse of time, it will take some time for sales to stabilize at an acceptable level. In the meantime it is proposed to start the manufacture of safety pins in the current year.

GKW LIMITED

11. During the year under review, the Business Service Centre Agreement to provide business, administrative, communication and internet services from the Company's offices at Kolkata and Mumbai was renewed for a period of one year with effect from 1st April, 2010. Income from this activity has been reflected in the accounts for the year under review.

OUTLOOK

12. The process of business consolidation adopted by your Company is being pursued vigorously. This will enable the Company to take advantage of emerging business opportunities and also provide a strong base for utilization/development of its assets for significant future growth.

RISKS AND CONCERNS

13. Your Directors recognize that there are uncertainties and risks attached to any business. The risks could be external, internal, or a combination of both. External risks can be intensification of competition, product substitution, technological obsolescence, changes in Government policy with regard to taxes and levies or economic slowdown adversely impacting demand and profitability. Such risks will be continuously monitored and appropriate action taken by the Company to minimize the same. Internal risks comprise operating risks, financial risks and business risk. The company will take effective steps to deal with such risks.

An operating Division of the Company would identify any risks as perceived by them and take immediate steps to minimize the impact and at the same time submit a report to the next higher level of reporting.

The extremely small customer base of the Metal Pressings Division (MPD) and low cost competition faced by Screws and Fasteners Division (S&F) constitute business risks. Steps are being taken to increase customer base in MPD and become more cost competitive in S&F Division.

INTERNAL CONTROL

14. The Company has adequate internal control

system to ensure protection of assets against loss from unauthorised use or disposal, proper maintenance of accounting records and adherence to Company's policies and procedures. The Company has an Internal Audit system which is commensurate with its size and nature of its business. An Audit Committee of the Board of Directors periodically reviews the internal control systems to ensure their effectiveness and adequacy as also the annual financial statements with particular reference to major accounting entries, involving estimates based on the exercise of judgement by the management. Apart from this, audit reports and follow-up actions are periodically reviewed by the Divisional heads at the unit levels.
