DIRECTORS' REPORT (Contd.)

PERFORMANCE REVIEW

Your company which was able to report better results in the first half of the current financial year could not sustain the same tempo in the second half due to various reasons. The collapse of the economies in South East Asian countries and recession in Japan, which accounts for nearly 50% of the cotton yarn exports from the country had its effect on our sales and margins. There was loss of production for 44 days at Nagpur Unit and 16 days at Medak Unit due to illegal strike by the workmen, which affected the profitability. Further, due to enhanced power cut in Kerala, Alwaye Unit was obliged to produce more power from Captive Generators resulting in higher power cost. In spite of all these adverse factors, the company was able to step up the sales turnover from Rs.12110 lacs to Rs.15411 lacs and improve its operating profit from Rs.2550 lacs to Rs.3193 lacs. The profit after tax at Rs.1054 lacs is marginally higher than that of the last year's profit of Rs.1008 lacs.

During the year under review the cotton crop in the country was adversely affected by untimely rainfall and pest attack which resulted in lower crop of 14.80 Mn. bales as against 17.65 Mn. bales in the previous cotton year which had an upward impact on cotton prices. The foresight of the Management to anticipate the situation and secure good quality cotton from both indigenous sources and imports at the right time and at competitive price is one of the important factors which helped the company in sustaining the performance in an otherwise bleak scenario.

The company continued its emphasis on modernisation and completed the expansion of 7200 spindles during the period under review. As reported earlier, an outlay of Rs.4770 lacs on the Yarn Processing Unit with a capacity of 8 Tons per day was completed during the current financial year. The capacity utilisation of this plant was being gradually stepped up and we would have achieved higher utilisation, but for the fact that South East Asian crisis severely affected the South Korean economy, which was one of the main market for processed yarns. As a result, your company has been vigorously exploring alternate markets in Europe, Middle East as well domestic markets to step up its utilisation and sales at optimum level.

EXPORT AWARD

Our shareholders will be glad to know that your company continues to be the leader in the cotton yarn exports and in recognition has won yet another Trophy for excellence in exports for the Twelfth consecutive year.

SUBSIDIARY COMPANIES

The existing two subsidiary companies are M/s GTN Exports Limited and M/s Packworth Udyog Limited. Necessary particulars of the Company as required u/s.212 of the Companies Act, 1956 are attached to the Balance Sheet.

PATSPIN INDIA LIMITED

Patspin India Limited, a 100% EOU promoted by your Company along with M/s Itochu Corporation Limited and M/s Kerala State Industrial Development Corporation Limited performed well during the year under review despite difficult international market condition mentioned above.

FIXED DEPOSIT

Unclaimed Fixed Deposits as on 31st March, 1998 works out to Rs.18.79 lacs, and the same were fully renewed till date of this report.
