AUDITORS' REPORT
TO THE MEMBERS OF THE GAEKWAR MILLS LIMITED.
ON THE ACCOUNTS FOR THE YEAR 1998-99.

1. We have audited the attached Balance Sheet of your Company as at 31st March, 1999, and also its Profit & Loss Account, for the year ended on that date, annexed thereto, together with the Notes forming part of the Accounts. These Accounts have been prepared on the going-concern basis, though the Mills were closed throughout the year. Appellate Authority for Industrial and Financial Reconstruction (AAIFR). has sanctioned the Rehabilitation Scheme prepared by the Industrial Development Bank of India (IDBI), the Operating Agency. The Company has initiated the process of implementation of the sanctioned scheme.
2. The Fixed Assets, including 'Machinery awaiting installation', were not verified by the Management, during the year, nor were the records maintained. No documents, of title, have been shown to us. During the year certain, Stores and building material relating to demolished staff quarters were sold. Except for the above machineries, the Assets have been shown at the same figures as at the end of the earlier year, and we are in no position to express any opinion about their existence or present condition. The company has not provided depreciation for the year and for several earlier years, As stated in our past reports, the accumulated arrears, as at 30th June, 1986, amounted to Rs. 1,90,04,724. No computation has been made of the arrears, of depreciation, thereafter.
3. Though goodwill is shown, at its purchase cost of Rs 57,546, it cannot be said, in the circumstances of the case, to have any commercial value.
4. The stocks, shown at a total of Rs 94,627 in the Balance Sheet, could not be verified, either as at, or after, the end of the year or during it, nor were any records thereof maintained. The same have been valued on an adhoc basis, the arithmetical effect whereof, expressed as a percentage of the cost, is stated in Schedule G to the Balance Sheet.

5. The Debtors have been taken as per their balances in the books, totaling Rs.43,63,704 which is the same as on 30.06.1988. However, no confirmation was available from (nor any request, to that effect, made to) debtors totaling Rs . 43,10,220 . As nothing has been received from them, till the completion of audit over 11 years later, the non-confirmation debtors must, in our, opinion, be considered to be doubtful of recovery, even quite apart from the litigation, dispute and arbitration mentioned in Note No. 8 to the Accounts.
6. As regards the Income -Tax Refund/Interest Receivable of Rs 3,97,245 as shown under Loans & Advances, the same appears to be doubtful of recovery.
7. There are no balance confirmation certificates from the Bank, for the Fixed Deposits of Rs 6,24,008. The deposit receipts could also not be verified by us, as we were informed that they are held by the Bank. As such, we are unable to express any opinion on this item.
8. Out of the Advances for goods and expenses of Rs. 23,96,930/-, advances amounting to Rs.23,83,084/- have been taken only as per the books, without any external confirmation (for which, in fact, no request has been made either). As there are hardly any recoveries or adjustments since 30.06.1987, right up to the completion of audit more than 12 years later, the same must, in our opinion, be considered to be doubtful of recovery.
9. The Excise and other deposits, totaling Rs 7,09,265 have also been taken only as per the books, without any external confirmation. Moreover, no request was made, to the depositor parties, for such confirmation. In the circumstances, we cannot say whether the above balance of Rs 7,09,265 can be considered good.
10. Sundry Creditors aggregating Rs.10,09,12,773/- and the Sundry Deposits and Advances received totaling Rs 450,474/- have been taken, as per the books, without any confirmation. Moreover, no request was made, to the parties, for such confirmation.
11. No provision has been made for wages or wage-related outgoings for the year except in respect of few of the staff members as we are informed that, no wages are payable for closure period as per the order of AAIFR.

12. As required by the Manufacturing and other Companies (Auditors' Report) order, 1988, issued Under Section 227(4A) of the Companies Act, 1956, we make, on the basis of such checks, of the books and records, as we considered appropriate, the following statement on such of the matters, specified in the said order, as are applicable to the Company :

- (a) As stated in paragraph 2 above, the Fixed Assets have not been verified, by the Management, during the Year nor were the records thereof maintained as at 31.03.1999.
- (b) The Fixed Assets have not been revalued during the year; as such, the question, of indicating the basis of revaluation, does not arise.
- (c) We are informed that, as the Mills were closed, physical verification could not be conducted by the Management, during the year, in respect of Finished Goods, Stores, Spares parts and Raw Materials.
- (d) In view again of the absence, of physical verification (as stated above), the question, of determination of reasonableness or adequacy of the procedure, does not arise.
- (e) In view again of the absence, of physical verification, the question of any material discrepancies being noticed on such verification, as compared to book records, does not, naturally, arise.
- (f) Since, as stated in paragraph 4 above, the Stock Valuation is on an ad-hoc basis, it is not in accordance with the normally accepted accounting principles. For the same reason, we cannot say whether such valuation is fair and proper. The basis, of valuation, is the same, as in the preceding year.
- (g) As regards the rate of interest and terms and conditions, of loans taken from parties listed in the register Under Section 301 of the Companies Act, 1956, the Company has taken a loan from only one party listed therein, and the rate of interest and the terms and conditions, of the loan, are not prima-facie prejudicial to the interests of the Company ; the Company has not taken any loans from companies under the same Management, as defined in Section 370(18).
