

MESSAGE TO SHARE HOLDERS FROM MANAGING DIRECTOR

Happy Diwali and a Prosperous New Year to you and your family.

A ray of hope is showing up during this year. How long will negativity persist? As the saying goes "All material things / situations are temporary and change is the name of the game". Positivity in several spheres of activity has led BIFR asking us to submit a Rehabilitation Proposal. Institutions and Banks under the leadership of the Operating Agency (IDBI) are coming forward to have a relook at the Rehabilitation Proposal based on long-term association with other companies who would provide raw materials to us to convert the same into conductors. Besides conversion charges, profit also will be shared. Institutions will also start getting inflows from the Company towards realization of their dues.

The Company will also make renewed effort to debond and install it's state of the art Alloy Wire-rod facility and manufacture speciality products. During the by-gone period of turmoil, our philosophy to remain lean on expenses has helped the Company to survive. We are getting prepared to harness the opportunities being thrown up by Power Reforms of Government of India, as well as the interest shown by some leading secondary aluminium wire-rod producers who want to make use of our conductor-expertise and our brand image. Solutions are about to surface and our management team is single mindedly set to grab and restart our crusade on rehabilitation.

The moral support provided by the share-holders, employees, institutions and the valuable guidance of BIFR will assist immensely in the revival of our industry. The process has just begun.

During the period under report, the Company's sale value of production decreased from Rs.864 lacs in 2001-02 to Rs.255 lacs in 2002-03 due to funds constraints resulting in a net loss of Rs.1417 lacs against Rs.1190 lacs in the previous year.

DIVIDEND

In view of the operating loss suffered by the Company during the period under report, your Directors are not in a position to recommend any dividend for the year 2002-03.

PRODUCTION AND SALES

The Company has not been operating its Uppal (Hyderabad) plant since May 2000. It operated its Silvassa plant at a very low capacity with whatever little funds it had at its disposal, as the Banks suspended all the credit facilities earlier made available to the Company. Keeping in view the meagre cash flow, the Company has taken various measures so as to cut down establishment and other costs to continue the operation of the plant.

REFERENCE TO BIFR

Pursuant to the orders of BIFR, IDBI (Operating Agency) released an advertisement on 08-10-2002 inviting interested parties to submit their concrete proposals for the rehabilitation of the Company. The Promoters were also allowed to submit their proposal. Accordingly, a comprehensive Rehabilitation Proposal was submitted to IDBI on 28-11-02.

After ascertaining the views of the participating financial institutions and banks, BIFR in their order dated 21-05-03 directed the Company to modify the Rehabilitation Proposal, which is being submitted.

FUTURE PROSPECTS

Your Directors are exploring various ways and means to turn-around the Company's operations with the support of banks and financial institutions. The Company is hopeful that the Operating Agency appointed by BIFR along with other lenders would take a practical and sympathetic view and work out a suitable "Rehabilitation Package" to bring the Company back on its rails.
