Message from Managing Director

2016-17 has been a year of upheaval for unethical players in the Industry, Trade and social front. It is a war against poverty inflicted by unscrupulous and anti Indian groups. The demonetization, the new currency, the plastic card usage drives have more than clearly demonstrated that country has to go on the path of growth, development and overall prosperity of all sections of Indian citizen. The actions taken have slowed down entire economic activity for the last four months of year 2016-17 but for your company, it has opened new horizons of survival and growth. Hopes of better days ahead have kindled to all genuine enterprises after decades, of which we are one.

In essence, first four months of 2017-18 due to monsoon and last four months of 2016-17 due to war on unethicity has slowed economic activity but still it has not pushed our spirits down, inspite of the fact that financial impact is considerable. We hope and trust that everything will be fine from now on.

The positive developments are growth of Solar power creating a new market for compact Aluminium core conductor for such cables, which your company has successfully developed. The strict quality drive has also shown positive growth trend for AAAC manufacturers like ours.

Though growth of Multi Strand Conductor Capacity of existing customers had negative impact on us, but very quickly your Company has sprung back due to better contribution in the above products. Rod operations are bad due to Primary producers increasing their capacity. The company has to be innovative during 2017-18 to survive and grow.

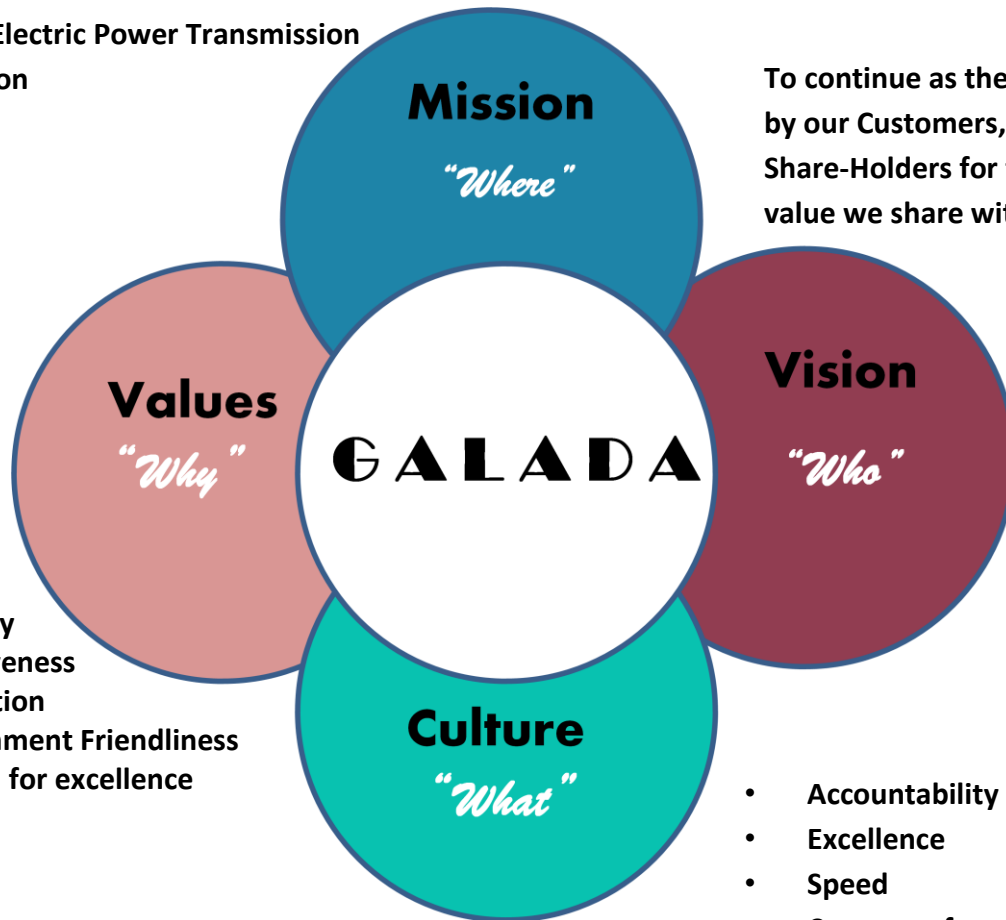

While we are paying back the lenders who have given OTS, we are keenly working out a concrete plan for other lenders namely SASF and Syndicate Bank. The Company's efforts are on and commitment of all members of Team Galada is at a new high. I think we will come out victoriously during the balance of 2017-18 & thereafter.

Govt. of India's new thrust on genuineness has emboldened us to face the negativity which I am confident will be overcome soon. Let our country and genuine fighter companies like Galada come back to its original premium position and this is our prayer.

All participants in this mission like colleagues in Plant, Office, Customer end, Institutions, Suppliers and Share Holders will ensure success of your company.

Ever Alert to anticipate and provide the best over-head conductors and knowledge relating to usage in order to excite our customers to be most efficient in Electric Power Transmission & Distribution
