Explanatory Statement

(Pursuant to Section 173(2) of the Companies Act, 1956)

ITEM NO. 6

Ms. Homai A. Daruwalla, a qualified Chartered Accountant was the Chairperson and Managing Director of Central Bank of India overseeing the entire operations of the Bank from June 30, 2005 till December 31, 2008. She brings to the Company her vast experience of working in three large public sector banks namely Union Bank of India, Oriental Bank of Commerce and Central Bank of India. She was appointed by the Board as an additional director on November 11, 2011.

A brief write up on Ms. Homai A. Daruwalla is contained in the Annexure to the Notice.

The Company has received the requisite notice in terms of Section 257 of the Companies Act, 1956, from a member, signifying his intention to propose her candidature for appointment as Director of the Company, liable to retire by rotation.

The Board recommends the Resolution to the Members of the Company for approval.

Except Ms. Daruwalla, no other Director is concerned or interested in the Resolution.

ITEM NO. 7

The main business of the company is to undertake infrastructure development projects in various sectors on build-operate-transfer, build-own-operate-transfer and build-own-operate basis through the public-private-partnership model ("PPP Model"). The said business will remain in the focus of the Company in the foreseeable future.

However, the PPP Model of infrastructure development, as it is envisaged now, demands that the Company promote a special purpose vehicle ("SPV") to implement the project won by it. While the SPV route has its own advantages, the Company ultimately becomes an equity holder of the various SPVs. Equity investment can only bring income by way

of dividends and capital gain, which are considered as income from 'financial assets' by the Reserve Bank of India ("RBI"). If the income of the Company from financial assets exceeds 50% of its total income, the Company may get classified as a 'non banking financial company' under the RBI regulations with the attendant controls and restrictions. The Company has so far remained outside the RBI reach due to operations and maintenance income and the fee income that it earns from the SPVs.

Under the circumstances, the Board thinks it prudent to commence one or more of the business specified in sub-clause 113 of Clause III C of the Memorandum of Association of the Company as reproduced in the resolution. Approval of members of the Company is being sought by means of a special resolution as per the provisions of section 149(2A) of the Companies Act, 1956 to commence the new business.

The Board recommends the resolution for your approval.

None of the Directors of the Company is concerned or interested in this resolution.

The copy of Memorandum and Articles of Association of the Company is available for inspection by the members of the Company at its Registered Office between 10 a.m. to 5.00 p.m. on all working days till the date of the Annual General Meeting.

Forward-Looking Statement

In this Annual Report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements - written and oral – that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievements of results are subject to risks, uncertainties, and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated, or projected. Readers should keep this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

How did Gammon Infrastructure Projects Limited (GIPL) succeed in a sluggish domestic infrastructure scenario and a challenging global business environment?

THE ANSWER IS EMBEDDED IN OUR BUSINESS OPTIMISM.

Infrastructure can help save an economy in peril. If infrastructure blooms, the economy smiles and quality of life improves.

We enhanced our projects basket by:

- Focusing on selective project acquisition.
- Ensuring rapid implementation.
- Streamlining operations with consistent quality focus.
- Managing inherent risks effectively and protecting shareholder value.

And functioning with a **'Never Give Up'** attitude.

Therefore, we strengthened our business fundamentals to reap the maximum in a challenging scenario.

Strength is a matter of fundamentals

Gammon Infrastructure Projects Limited (GIPL) is an infrastructure project development company, promoted by Gammon India, one of the largest construction companies in India.

Incorporated in 2001, GIPL undertakes the development of infrastructure projects on a public-private partnership basis, having presence in project development, project advisory and sector-specific operations and maintenance. It is among the first companies to be modelled as an infrastructure development holding company in India. It intends to spread across multiple sectors, which comprise the following:

- Roads & Bridges
- SeaPorts
- Power
- Urban Infrastructure
- Airports
- Special Economic Zone
- Water and waste water management
- Power Transmission lines
