As is the normal practice, the performance of the Company during the year under review is dealt with exhaustively in the Management Discussion and Analysis, which forms part of the Annual Report, that is being circulated.

### DIVIDEND

In view of the loss incurred by the Company during this financial year, the Directors are not recommending any Dividend for the financial year ended 31st March, 2008.

### CAPITAL

You will find that the Paid-up Capital of the Company as on 31.3.2008 is Rs.16,30,73,170/- representing 3,26,14,634 Equity Shares of Rs 5/- each. As already reported last year, the Promoters were allotted and issued 16,00,000 Share Warrants of Rs 5/- each on 1-3-2006 subject to the condition that 10 % of the Warrant amount amounting to Rs 80,00,000/- to be paid at the time of allotment and the balance 90 % of the Warrant amount amounting to Rs 7,20,00,000/- to be paid within a period of 18 months ie on or before 1-9-2007. Since the Promoters failed to pay the

balance 90% of the amount within the stipulated time, the initial payment of Rs 80,00,000 /- made by them was forfeited. Hence the Paid-up Capital of the Company remains at Rs 16,30,73,170/-.

### PROJECT

The Company has completed the project of establishing its Weaving and Processing Division, as also expansion in the Ring Spinning Division at Pushpathur Village. It has also installed the Wind Mills. All these expansion schemes are in line with the project as given in the Prospectus which has been subsequently revised in consultation with the Lead Managers to Issue and which fact has been intimated to the Stock Exchanges and also made a note of in the quarterly results published from time to time.

As at the end of the year, the Company's Open End Spinning Units are functioning at Kittampalayam, Ponnandampalayam and Village Alate in the District of Kolhapur in Maharashtra. The total rotors functioning in all the three put together is 5904. The Ring Spinning Unit with 17376 spindles is functioning at Pushpathur Village in Palani Taluk.

Waste Processing unit, which has been established as part of the expansion scheme is functioning at Mopperipalayam Village. The Washing, Weaving and Processing units are functioning at SIPCOT Industrial Growth Centre, at Perundurai. The stitching unit is functioning at Peelemadu, Coimbatore.

### PROSPECTS

Textile Industry, for the past more than a year and half, is undergoing unprecedented adverse conditions. There has been a steep increase in prices of Cotton. All representations to the Government to stop exports of cotton to facilitate softening of price have not yet yielded any results in the wake of Globalisation. The yarn prices have not been remunerative at all and the movement is also very sluggish. The power situation is matter of grave concern. While there are frequent obstructions in the power supply by Electricity Board, Captive Generation either with Diesel Oil as fuel or Furnace Oil as fuel is prohibitively costly. On the labour front, there is absolutely shortage of skilled labour. Recent steps taken by the Government of Tamil Nadu in so far as the apprentice front do not augur well for the future of the Industry.

On the whole, the Textile Industry whether it is Spinning, Weaving, Processing or Garmenting is at cross roads and time alone can prove whether this Industry, which meets one of the basic requirements, will survive.

### DEPOSITS

Public deposits accepted by your Company are well within the prescribed limits of the provisions of Section 58A of the Companies Act, 1956 and all the rules and procedures connected with the acceptance of deposits have been complied with fully. There are no unclaimed or overdue deposits in the Company.

### LISTING AND DELISTING

As already informed in the last year Report, the Company has applied for De-listing of its Equity Shares from 1) Madras Stock Exchange Limited 2) Coimbatore Stock Exchange Limited and 3 )The Calcutta Stock Exchange Association Limited in view of the fact that trading activities in the above stock exchanges have become negligible. However, the shares are continued to be listed in 1) Bombay Stock Exchange Limited and 2)National Stock Exchange of India Ltd which have got reach across the length and breadth of the Country. Intimation for de-listing of the shares has come from Madras Stock Exchange Limited and intimation from Coimbatore Stock Exchange Limited and The Calcutta Stock Exchange Association Limited are still awaited.

The company has paid the listing fee to the National Stock Exchange of India Ltd and the Bombay Stock Exchange Ltd for the financial year 2008-2009 already.
