2. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A) BUSINESS REVIEW:

STEEL INDUSTRY - GLOBAL PERSPECTIVE

Globally, the Steel Industry is witnessing revolutionary changes due to fierce competitive pressures on performance, productivity, price reduction and customer satisfaction. Trade in steel products of different grades and specialty has been on an upswing with increase in production facilities coupled with technological innovations in both the developed and developing Countries.

However Sagging prices in the backdrop of economic slowdown have spelt turmoil in the steel industry, the world over. The future is uncertain, but challenging and holds great promise if right steps are taken because of inherent qualities of steel.

INDIAN OUTLOOK

India is among top producers of all forms of steel in the world and is one of the fast growing markets for steel. The Indian Steel industry comprises of the producers of finished steel, Semi-finished steel, stainless steel and pig iron. The total demand for steel in FY 2011-12 grew to 65.2 MT against 46.8 MT in fy 07.the demand expanded at a CAGR of 8.6 per cent over a period from FY 07-11. The future growth of Indian Steel Industry will largely depend upon the Government measures of injecting funds in various industries such as construction, infrastructure, automobile and power to boost economic growth.

COMPANY'S BUSINESS STRATEGY

The company is in process of upgradation of its furnace and casting division with an requisite amount of investment. With this upgradation project, the company will be able to improve the quality, reduce cost and improve customer satisfaction by reducing change over time as well as adding to the product range .To part finance this project the company has applied for finance with Banker, which is under process. the 66KV Sub Station which was under implementation during previous year has come in operation, it has enabled to reduce the power cost sustaintially. Further Mig Wire plant which was also under process during previous year has also started production in current year. The product of the Mig WirE plant has been well received in the market. We have also established our Welding product under registered trade mark "TOSHAK G" and further we are exploring market for the product all over INDIA.

COMPANY'S FUTURE OUTLOOK

As the country is witnessing the slowdown in growth, the steel industry has slowed down. This is having a serious impact on business sentiments for steel industry, as a result this year the volume will be under stress and also margins. In addition there will be plants shutdown which has to be taken for project. This will have an impact even on margins; the company hopes to recover its performance from the year 2013-14 onwards.

B) PRODUCTION AND SALES REVIEW

During the year under review, the company has produced 39884.453 Metric tons of Steel products. The operating receipts of the company has increased to 208 Crores from 186 Crores in the previous year.

C) INTERNAL CONTROL & SYSTEMS

The company has adequate internal control procedures commensurate with its size and nature of its business. These internal policies ensure efficient use and Protection of assets and resources. Compliance with policies, ensure reliability of financial and operational reports.

D) RISKAND CONCERNS

The Steel Industry witnesses Cyclical price movements. The fortunes of the industry move up and down in time with the market trend of prices. This phenomenon has become more uncertain and unpredictable with the increased integration of domestic and global markets. The company has taken the cost cutting initiatives, enriching the product mix and strengthened its marketing to cope with the business trend.

E) HUMAN RESOURCE DEVELOPMENT/INDUSTRIAL RELATION

During the year, the company has employed 100 persons. The Industrial Relations remain cordial during the year. The company is continuing its fforts for improvement in the work culture wherein employees can contribute to their fullest potential.
