## **Dear Shareholders,**

Our CLEAR VISION has been “to deliver differentiated services, thereby achieving superior operating and financial performance, ensuring sustained growth to enhance stakeholder success and shareholder wealth.” This is a scientifically planned strategy, based on our knowledge and understanding about the markets we operate in.

Our Company is a NBFC, operating as an Investment Company. We aim at providing continuous financial services that compliment businesses and serve the financial and protection needs. We have a direct competition with other organized NBFC in investment sector. To compete with them, we are aspiring and targeting to emerge as a one-stop shop for all financial services.

I am also glad to share the performance of Gemstone Investments Limited for the year 2015-16.

For the year ending March 31, 2016 the net revenue of Gemstone was Rs 22,916,702/- over last year and overall net profit before tax of Rs 5,175,322/-. Going deeper across the country's unbanked regions, we at Gemstone are optimistic that we would continue to expand our investment book and monitor our margins.

Our aim is to build a tomorrow that all of us are proud of. We shall therefore, aim higher, move faster and perform better than ever before.

We will execute the strategies with the same commitment and passion that we are known for to serve our customers, business partners and investors. Everyone associated with us can be certain that we shall reciprocate their trust.
