Balance carried forward to Balance Sheet	(6284.41)	(7485.42)

The figures have been regrouped wherever necessary.

2. Review of working :

During the year under review the main thrust of the company continued for increasing the volumes of High Value Added Products and exports. However, the working of the company suffered adversely for non-availability of adequate working capital, as the State Bank of India, who was continuing the holding-on-operation, withdrew from the Rehabilitation Scheme. The SBI withdrew from the Rehabilitation Package on 28.07.2000 in spite of the fact that the Company generated net profit of Rs. 17.56 lacs in first quarter i.e. April - June after providing for the interest and depreciation as per the un-audited results taken on record by the Company. After the withdrawal of the SBI from the Rehabilitation Package, they withdrew all support and holding-on-operation and therefore, the turnover of the Company suffered very badly. The Company is still working at full capacity by doing job work for others and thus meeting their fixed overheads of salary & wages, electricity etc. In spite of the fact that the turnover of the Company was

lower compared to the previous year and non-availability of working capital funds, the company has shown operating profit of Rs.14.27 lacs before providing for interest and depreciation. The Company had provided for interest of SBI & IDBI Bank Ltd. till 31st March, 2001. However, it has come to the knowledge of the Company that SBI and IDBI Bank Ltd. has not charged any interest from 01.04.1998 in the account of the Company in their books of accounts. Therefore, this amount of Rs.1,551.39 lacs, which was the interest provided for the SBI and IDBI Bank Ltd. from 01.04.1998 till 31.03.2001 has now been reversed after obtaining the legal opinion. No interest of SBI and IDBI Bank Ltd. has been provided for the year ended on 31.03.2002.

3. Developments of BIFR/AAIFR etc.

As reported earlier the Operating Agency had prepared the Draft Rehabilitation Scheme as per RBI Guidelines and submitted to the BIFR, who circulated the Scheme on 12.05.2000. The State Bank of India was supporting the scheme, had communicated their support to the Operating Agency vide their letter dated 23.02.2000 and 18.07.2000 and suggested certain modifications in the DRS, which was also acceptable to the Operating Agency. However, all of a sudden the SBI in the hearing held on 28.07.2000 before the BIFR, communicated, withdrawing their support to the Company and their intention not to join the Rehabilitation Package. The BIFR observed that after giving their acceptance to the DRS subject to the approval of their competent authority, the SBI had suddenly communicated that they are no longer supporting the Rehabilitation Scheme of the Company. However, they approved the scheme keeping SBI & IDBI Bank Ltd. out of the scheme. Instead of complying with the order of the BIFR, SBI went into an appeal before the AAIFR against the order of the BIFR. AAIFR vide their Order dated 27.04.2001 modified the Scheme by incorporating the payment of dues of SBI over the period of six years from 01.06.2001, thus, it has turned the entire scheme un-viable.

Aggrieved with this order of the AAIFR, the Company, MPSIDC, GPL Workers' Union and IDBI, filed a separate writ petitions before the Delhi High Court, which has set aside the order of the AAIFR vide their order dated 30.01.2002 and remanded the matter back to the AAIFR for de-novo

consideration taking into account the viability of the Scheme.

The AAIFR on de-novo consideration set aside the order of the BIFR dated 28.07.2000 vide which the Rehabilitation Scheme of the Company was sanctioned and remanded the matter back to the BIFR for preparation of a fresh Rehabilitation Scheme taking into account the viability of the company by incorporating the dues of the SBI. The BIFR vide their Order, dated 13.06.2002 have appointed IDBI as Operating Agency and the IDBI have been directed to prepare a TEV Report and thereafter to formulate the Rehabilitation Scheme considering the viability of the Company and of the Rehabilitation Scheme.

In the meantime, SBI filed an application under The Recovery of Debts Due To Banks And Financial Institutions Act, 1993 before DRT, Jabalpur on 12.10.2001. The Company has also filed a counter claim of Rs. 1,865.14 crores under Section 19 of the said Act in the DRT, Jabalpur and have disputed the maintainability and the claim of State Bank of India before the DRT.

Thus, in view of all these litigation the working of the Company has suffered adversely in terms of lower sales and income, though the Company is able to run the plant at full capacity and is able to meet the essential expenses.

4. Awards :

The company has emerged as country's top exporter once again. PLEXCONCIL, Ministry of Commerce, Govt. of India has conferred the award to the Company on 15th December, 2001 for highest exporter of Woven Sacks & Fabrics for the year 2000-01 and second highest exporter for the year 1999-2000 and also for highest exporter of Tarpaulins for the year 1999-2000 & 2000-01.

5. Exports :

During the year under review export has decreased to Rs. 2,376.95 lacs from previous year Rs. 5,335.78 lacs in view of non-availability of adequate working capital support from the Bankers of the Company.

6. Dividend :

In view of the losses suffered during the year under review and the heavy accumulated losses, your Directors are unable to recommend any dividend for the year ended 31 March, 2002.
