CHAIRMAN'S MESSAGE

SECRET OF CHANGE

The secret of change is to focus all your energy, not on fighting the old, but on building the new. Likewise, in past few years, there had been a lot of changes made in the Indian Economy. But we also need to change the way we look at our economy. There are a lot of things we don't measure well.

On 1st July 2017, GST came in to the picture in the Indian Economy under Prime Minister Narendra Modi's Government. GST is defined as Goods and Service Tax, which was a replacement to existing indirect taxes like excise duty, Service Tax, VAT, etc. It will be levied all over India on the supply of goods and services

GST has brought in 'one nation one tax' system, but its effect on various industries is slightly different. The first level of differentiation will come in depending on whether the industry deals with manufacturing, distributing and retailing or is providing a service.

At all stages of the supply chain there is no tax, post GST. Moreover, the availability of input credits is welcomed. Real Estate sector has mostly benefitted from the introduction of GST, as much of this sector is becoming more transparent. GST, demands businesses to set-up mechanism for meeting the requirements of GST. Therefore, once the companies adopt the requirements, the compliance costs will go down drastically. Implementation of GST is believed to be positive to the chemical industry, especially in the long term. Despite some changes under the GST regime, the textile sector benefitted with the implementation of the regime.

But due to GST business which was not under the tax bracket previously will now have to register. This will lead to lesser tax evasion.

THE COMPANY-STANDING FIRM

Your Company has diversified its business mainly on trading of various items i.e. Chemicals, Plastics, Textiles etc. and Realty Business.

The revenue from operations of the company from the various segment was **Rs. 338.75** crores for the year 2017-18 as against the turnover of Rs. 352.15 crore during the year 2016-17.

Your Company earned net profit (including Comprehensive Income) as per Ind As-19 of **Rs.17.80 crores** during the year **2017-18** as against the net profit (including Comprehensive Income) as per Ind As-19 of Rs.15.62 crores during the year 2016-17.

Your Company's performance has maintained steady growth during 2017-18 due to implementation of GST & RERA In real estate sector. However management of the company is making sincere efforts for better performance in coming years through more innovative strategies and increased productivity.
