Panagarh, Dist: Burdwan, West Bengal

ENAbling Excellence

Through our commitment to performance we have been

.....ENAbling **Product excellence** by producing and using highest quality of “ENA” or Extra Neutral Alcohol

.....ENAbling **Marketing excellence** by pioneering branding at the bottom of the pyramid ‘IMIL’ market as well as creating innovative ‘IMFL’ brands

.....ENAbling **Organizational excellence** achieved through our unique 360° business model, allowing for high capacity utilization

.....ENAbling **Manufacturing excellence** by establishing world-class, fully integrated, earth-friendly distilleries that produce reliable products at better efficiencies

ENAbling Product Excellence

The Extra Neutral Alcohol that is fractioned in our multi-pressure columns assures higher purity than conventional re-distillation techniques thereby providing safer and better tasting beverages. In addition, stringent controls over the natural fermentation process ensures that every batch of ENA is ENAbling excellence, day after day.

In fact, we were the 1st company to use this high quality ENA for producing IMIL even before the Government started to mandate it.

ENAbling Marketing Excellence

Our product excellence has ENAbled us to pioneer branding in the IMIL space with launch of India's 1st ENA based country liquor brand– Nimboo. As a first for the industry, we gave the bottom of the pyramid consumer a better tasting product, along with superior packaging that the consumers otherwise expect from other FMCG lines. This has led to a higher value perception of our brands. Little wonder then, that every day we are redefining 'country liquor' in India.

ENAb ling PAN India IMIL leadership

We envisage ourselves as becoming PAN India IMIL leaders, making the most of opportunities emerging in new markets.
