### DIRECTORS' REPORT

#### To the Members

Your Directors have pleasure in presenting the Twenty Third Annual Report of the Company, together with the audited accounts for the financial year ended 31<sup>st</sup> March, 2005.

#### Financial Results (Rs. in crore)

	2004-05	2003-04
Net sales and operating revenue	1200.05	897.08
Other Income	11.41	6.43
Profit before Interest, Depreciation and Tax	50.27	36.69
Less: Interest	16.86	18.91
Depreciation	7.50	7.50
Profit Before Tax	25.91	10.28
Less: Provision for Tax [including Deferred Tax]	8.82	3.13
Profit After Tax	17.09	7.15

The net sales and operating revenue of the Company, including subsidy, for the year 2004-05 was Rs.1200.05 crores, representing a growth of 34% over the previous year.

During the year, the Company earned a Profit Before Tax of Rs.25.91 crores as against Rs.10.28 crores in the previous year, representing an increase of 152%, after making a provision of Rs.5.03 crores towards doubtful debts, Rs.1.53 crores towards doubtful claims and Rs.3.68 crores towards VRS expenses. The Profit After Tax was Rs.17.09 crores as against Rs.7.15 crores in the previous year.

The average interest cost has come down from 8.2% to 6.5%, by judicious mix of working capital management and short-term borrowings from banks, optimum use of buyer's credit and replacing high cost borrowings with fresh low cost borrowings.

#### Operations

The Company achieved an all time high production of 8.88 lakh tonnes (including tolling manufacture a/c IFFCO), recording a growth of 10% over the previous year. Shortage of phos acid, a key raw material for production of phosphatic fertilisers, adversely affected most industry players and only companies with long term supply arrangements through JVs managed to get supplies

to meet their production. In view of the shortage of phos acid, the Company has substantially changed the product mix and by producing and selling more complex fertilisers, has maximized production and contribution. Your Company has been ranked third largest producer in the country in terms of  $P_2O_5$  [nutrient content].

Your Company has achieved an average DAP through-put of 63.5 MT per hour as against the design rate of 57.5 MT per hour and average of 58.25 MT per hour achieved during the previous year. This was achieved by making some modifications to the equipments and de-bottlenecking in certain areas of operations.

Your Company has also received the Award for Overall Best Performance among phosphatic fertiliser producers for 2003-04 from Fertiliser Association of India.

#### Safety, Health and Environment

The operations at the Plant at Kakinada and the Storage Terminal at Visakhapatnam were in conformity with the safety and environmental standards and regulations prescribed by the statutory authorities. During the year, your Company has obtained ISO -14001 certification for its environmental management system. The Company has also started implementing Process Safety Management System (PSMS) and is expected to complete implementation by September 05. The Company has achieved a continuous accident free record of 2.5 million man-hours.

#### Marketing

During the year under review, your Company has recorded highest sales of manufactured products of 8.71 lakh tonnes, including 2.46 lakh tonnes of complex fertilisers, achieving overall growth of 28.5% in volume over the previous year's sales, the growth in complex fertilisers being 203.5%. The market share of Company's DAP was around 10.5% on all India basis and 64% in Andhra Pradesh. During the year the market and retailer network was widened, resulting in wider distribution of products in the addressable markets. This has also lead to reduced credit exposure. The year- end closing stock was lowest in the last five years. The Company has carried out various activities to educate the farmer on the benefits of increased and balanced use of  $P_2O_5$  as nutrient. The Company has launched a Rural Girl Child Education program in 6 districts of Andhra Pradesh, under which financial assistance will be provided to girl children with good academic record at class 10 level, to complete intermediate education.
