Chairman's Message

Dear Stakeholders,

It gives me immense pleasure to present the 24th Annual Report and the performance of the Company.

The year 2016-17 has presented both challenges and opportunities for our Group. Main challenge was the inverse duty structure in exporting countries, which made import of refined oil cheaper and resulted into under utilization of capacity of domestic refineries. We have been able to remain competitive due to our efficient cost structure and having variety of other domestic oils

During this year, the Group has achieved turnover of Rs. 353206.21 Lakhs as compared to Rs. 341871.50 Lakhs of the previous year, which shows increase of 3.32% as compared to the previous year. Though the turnover increased, the company's group net profit is decreased to Rs. 615.11 lakhs from Rs. 1115.32 lakhs in previous year due to increase in material cost, unfavorable import duty

structure and market disparity.

The cost of administration and control of Company's Haldia Undertaking had been increasing especially due to lower capacity utilization, unfavourable import duty structure for crude oil and other operational difficulties. Hence Your Company had decided to divest Haldia undertaking and obtained the approval of shareholders by Special Resolution pursuant to Section 180(1)(a) of the Companies Act, 2013 through Postal Ballot for the disposal of Haldia Undertaking and relevant agreements has already been executed with the buyer and other post execution formalities are in process.

GDP outlook for 2017-18

The country's economic growth is facing challenges such as subdued manufacturing, lower exports of services, and lower capital expenditure. However, during FY18, cheap borrowing costs and fading impact of demonetisation could increase the private consumption and thereby drive economic growth. The implementation of Goods and Services Tax (GST) is expected to improve tax compliance and governance, and might provide an impetus to the investments and growth in the country. Due to favourable indicators such as moderate levels of inflation, reduced Current Account Deficit (CAD), fiscal consolidation and transitory impact of demonetisation, the country is currently characterised as a stable macroeconomic situation, the Government expects India's GDP to expand at a growth rate between 6.75-7.5 per cent during 2017-18.

The Indian market presents a significant growth for oil players owing to growing population, income growth and low current per capita consumption. Your company is positioned strongly to tap the opportunities. Despite the positive signs, we remain cautious and vigilant as we are exposed to volatility in commodity as well as currency fronts. We are guided by our stake holders, the industry and the nation, promoting inclusive growth.

As far as the year 2017-18 is concerned, we recognize the upcoming challenges this year and are geared to face them confidently. Our mission is to constantly improvise our methodology and systems so as to achieve efficiency in our operations through optimum utilisation of resources. During the year, your company has successfully launched new brand "Vivaan" in premium category in refined cottonseed oil in Gujarat.

In the coming years, you will see a good measure of strategic changes in Gokul aimed at transforming the Company in to a more profitable and sustainable global enterprise. We will deploy our resources in building intellectual capital, improving processes and systems, and in exploring markets that will further build and strengthen our future. The Group is now focusing more on branding activities, strengthen distribution network and to start various packing sections across India to connect with customers in better manner to cater the increasing demand after rollout of GST. The Group will launch new brand "Vivaan" in Kachi Ghani Mustard oil to extend its reach in premium segment of oils. Your company has also decided to enter in the business of Spices through its subsidiary under brand "Gokul" in Domestic market and under brand "Vivaan" in international market.

I would like to take this opportunity to thank our dedicated and motivated employees who are the greatest asset of the Company and with their passion, hard work and commitment taken it to this level and also appreciate the guidance from the members of Board from time to time. We also thank our stakeholders, clients, vendors, bankers, investors, Governments, Government Agencies and partners in growth for reposing their confidence and faith in the Company. It is your trust and commitment that inspires us to set high standards of growth and performance and continue to deliver high returns to our stakeholders. We look forward to continuing on the path of excellence and profitable growth into the coming years.

Sincerely

Yours

Balvantsinh Rajput
Chairman
