originally appointed as the Operating Agency (OA) u/s 17(3) of SICA. However, the Hon'ble Board after having satisfied that the OA had acted with a biased attitude appointed 30B on 4.3.2003 as the OA u/s.17 (3) of the Act to review and formulate the revised DRS of the Company. The Hon'ble BIFR declared the Company as a sick unit in 2000-01 under Case No.222/2000. The unit is not operational since May 2002.

### **Revival Efforts**

In the revival efforts the Board of Directors of your Company have been exploring new opportunities with Strategic Partnership arrangements and have succeeded in identifying a potential Investor for infusion of funds to revive the unit and buy back the production of the unit. On the confirmation of Assignment of Debit by SBH in favour of ASREC (India) Ltd (ASREC), the Company had reached an OTS with Deutsche Bank being the Attorney holder of ASREC (India) Ltd on 02.03.2007 for full & final settlement of dues. The Company had also reached a compromised OTS with Bank of Baroda on 03.09.2007 towards full & final settlement of dues. Thereafter, the State Bank of Hyderabad had confirmed to the Hon'ble BIFR in the hearing held on 02.09.2008 that the security is still with them. While that being so, the Company to show its seriousness had arranged down payment of Rs.30 Lakhs on 09.06.2008 to BOB and was unable to pay the OTS amount to Deutsche Bank as the issue of charged documents between SBH and Deutsche Bank /ARSEC (India) Ltd could not be sorted which was one of the pre-conditions for the strategic investor to invest into the company. The Company had submitted a Comprehensive Revival Scheme on 12.06.2008 to the Hon'ble BIFR and BOB for approval considering OTS reached with both the Secured Creditors and keeping in view of the cost for recondition, imported spares and need based working capital with the infusion of funds since tied-up with a Strategic Investor to revive the unit.

Pending finalization of issue of charged documents between SBH and Deutsche Bank /ARSEC (India) Ltd no interest was provided on principal outstanding loans for the year under review. BOB being the Operating is in the process of sorting-out the pending issues with SBH and Deutsche Bank /ARSEC (India) Ltd and once the OTS amounts and other dues are paid, the Net-Worth of the Company would become positive.

#### **Future Prospects**

In our revival efforts new three distinct market niches - (1) Outdoor wear; (2) Dress & Casual wear (3) Health wear have been identified where the Company will be able to serve the ever growing diabetes and other patients. In fact, the Hosiery Knitwear Sector is zooming with the new EXIM Policy and increase in demand from US markets. The Vision Statement has projected an increase in the size of the industry from USD 36 billion in 2002 to USD 85 billion by 2010 and that exports will reach a level of at least USD 40 billion by 2010. The increases in exports and the size of the industry are projected to boost employment opportunities in the industry and provide
