**EQUITY DIVIDEND**

In view of loss during the year, your directors regret their inability to recommend dividend on Equity Shares for the year 2001-02.

**REVIEW OF PERFORMANCE & FUTURE PROSPECTS**

The Company's performance during the year under review has been bad due to various external factors.

**Woven Sacks Division**

Despite having a good and consistent demand from its customers from the Cement Industry the Company's woven sacks division is still in red as the increase in the costs could not be passed on to the customers who have not considered the Company's request for price increase. To worsen the scenario the increased competition from smaller and new players has led to fall in the selling prices thus reducing the existing margins.

Despite all above the Company is continuously working on cost savings. To start with, the Company has installed a 1 MW power plant based on Furnace Oil. With low operating costs and cheaper fuel this would entail substantial savings in the power cost. However the plant has been fully functional by March-02 and the full impact thereof shall be visible in the current year.

Since January-02, the Company has shifted its Kadi operations to Santej to improve the productivity and reduce costs. This coupled with other cost savings measures is expected to improve the performance of this Division in the current year.

**Label Division**

The year under review had been extremely bad for this division. The division mainly caters to the Garment Exporters. The events of 11th September, 01 in USA led to sudden decline of exports from the Country. The garment sector was the worst hit with major order cancellations, holding back of the shipments, delay in the payments etc.. This led to substantial drop in the sales, delays in the payments, increased bad debts for the Company. All the factors led to losses in this division for the first time since inception. The situation has started improving since April-02 and the Company expects to regain the lost market in the current year.

**DIRECTORS**

Shri Prashant Somani and Shri Jugal Kishore Khetawat, retire by rotation at the forthcoming Annual General Meeting, and being eligible offer themselves for re-appointment.
