PERFORMANCE

The Performance of the Company during the year under review is better than previous year despite the recessionary conditions affecting the Indian Industries in general and as your Company product being Kerosene Wick Stove and is mainly used in rural and backward classpopulation in the country therefore it has been affected much more than other items. Inspite of this, with the continuous efforts of the Directors, the Company has shown profit of Rs. 3.43 Lacs as compared to loss of Rs. 1.71 Lacs last year. In addition to increase in sales by 15.96% the production is also increased by 22.30% as compared to last year.

With the perception of its commitment to enter in the export market your company has shown success during the year by exporting FOB value of Rs. 46.33 Lacs Kerosene Wick Stoves to Nigeria. Your Directors are hopeful of good demand in African and other Neighbouring Countries. To Continue the broad base of its product range the Company has launched another product of fuel efficient non pressure Kerosene Wick Stove of lower Tank capacity under brand name of "Winner". The product is been well accepted in the market and has given good report of increased capacity utilisation and sales even in the extremely dull market conditions.

Gorani Industries Ltd. 👍

Your Directors have further launched few more new brand products of Kerosene Wick Stoves in the market in current year to over come the recessional market. The new brand named products are made territorial resulting in increased sales.

The Company is continuously on the look out for new value added products and expanding production and market base. In line with this your company has identified a fuel efficient and bright flame "Hurricane Lantern" designed and developed by the company after studying the drawbacks of existing designs. The product Hurricane Lantern has very good market in rural and hilly regions of India moreover the product has vast export market in African countries, as is revealed by the survey carried for the purpose. Your Directors plan to launch it in the market by middle of this year barring the unforeseen circumstances.

Thus by launching of new branded product, entering into export market and also adding a new product current financial year, your directors expect much attractive results in current year.

DIVIDEND

To strengthen the financial position of the company and also due to marginal profit your Directors are unable to recommend any dividend for the year.

PUBLIC DEPOSITS

There were no Deposits at the end of the year and the company did not accept any deposits from the Public during the year.

DIRECTORS

In accordance with the provisions of Companies act, 1956 and the Articles of Association of the Company Mr. Santay Gorani retire by rotation at this Annual General Meeting of the Company and being eligible, offer himself for reappointment.
