In FY 2002-2003 GOTHI recorded a gross turnover of Rs.5.66 crore As compared to A turnover of Rs.5.36 crores during the previous year. The company incurred a loss of Rs.151.13 lacs compared of Rs.203.37 lacs. The company has restricted its loss by its cost cutting strategy. Though the company has incurred loss but the same was restricted. The business situation faced by the plastic industry remained grim for the whole of the year.

We do not visualise any immediate reversal in the our business sector, however, whenever it does happen we would be in a better position to take advantage of the opportunities that it would throw up.
