

## **ANNUAL REPORT 2008 – 2009**

**Dear Shareholder,**

As I look at the numbers in the current maelstrom, whilst our revenues and profits have been impacted across businesses, in relative terms, measured against the competition, we have stood our ground. The litmus test we apply is: if a down-turn of this magnitude were to persist for some time, would we be the last man standing, which means, will we be the industry player least likely to be affected?

Without doubt, we are facing our toughest challenge, but we will, all the same, be the 'last man standing' once the dust settles down, as the statistics for our various businesses bear out.

We believe that tough times don't last, tough people do. At a time like this, we constantly remind ourselves, that our collective endeavour as an organization is to build businesses for the long haul. In the past too, there have been sharp swings in business cycles – and there will be more of these in the future, though hopefully not of the magnitude and ferociousness we are seeing today. And each time in the past, we have come out of the eye of the storm, we have emerged fitter and stronger.

Here, let me mention the role of our values and beliefs. Our values always guide us, much like the North Star. Our history and heritage as a Group, in one word, stand for trust. Whilst we see a meltdown the world over, not just of economies, but equally of governance, I believe that our demanding standards of governance will set us apart, even more, now, and in the future. Clearly, investors and employees will appreciate and learn to value differentiate between organizations like ours that are honest, ethical, transparent and well-governed, and others, for whom governance is a platitude. This is a huge strength, built over time into our genetic coding. It will always stand us in good stead.

Yours sincerely,  
Kumar Mangalam Birla

Mr. G. D. Birla and Mr. Aditya Birla, our founding fathers.

We live by their values.

Integrity, Commitment, Passion, Seamlessness and Speed

# THE CHAIRMAN'S LETTER TO SHAREHOLDERS

... contd.

At the business level too, we are on a strong footing. Your Company's consolidated turnover (gross) crossed US\$ 4 billion (Rs.20,432 crores) up by 7% over that of the preceding year. Of this, the Cement business's contribution is 74% and VSF 15%, the two core businesses of your Company. Your Company's consolidated net profit is in excess of US\$ 430 million (Rs.2,187 Crores).

Your Company has taken major initiatives to sustain profitable growth ongoingly. An in-depth presentation of these steps has been detailed in the Management Discussion and Analysis, so I will highlight only the key points.

As part of its strategic growth initiatives, your Company has embarked on a series of expansion projects. In the Cement business, your Company's major projects are nearing completion. Clinkerisation plants at Shambhupura and Kotputli, both in Rajasthan, with a capacity of 3.3 million TPA each, have been commissioned. Additionally, work on the cement mills in Shambhupura (1.5 Million TPA) and Kotputli (3.2 Million TPA) is progressing well and one of the cement mills in Shambhupura with a 1.6 million TPA capacity is already operational.

The 1.3 million TPA split – grinding unit at Dadri in Uttar Pradesh has started, while the one at Aligarh in Uttar Pradesh will go in stream by September 2009.

With thermal power Plants having a total capacity of 144 MW installed, including 23 MW installed in April 2009, the Cement Business' total thermal power generation capacity is now at 268 MW, meeting nearly 80% of the business's total power requirement.

Your Company's capex in Cement during the year was US\$ 289 million (Rs.1,467 crores). An investment of over US\$ 250 million (Rs.1,300 crores) has been earmarked for completion of the current projects and towards modernisation in the coming year.

Consolidated cement capacity will rise further from 41.6 million TPA to 48.8 million TPA upon the completion of all projects under implementation.

In the VSF business, your Company faced a rather tough and challenging year. The global economic crisis severely impaired the textile sector, which in turn had repercussions on your Company's VSF operations. Consequently both volumes and realisations took a hit. Bearing in mind the market dynamics, your Company has put its VSF capacity expansion plans on hold. The conversion of the A.V. Nackawic plant from paper – grade pulp to Rayon – grade pulp has been successfully completed.

In the recent past, market sentiments in the textile sector have shown a positive swing which bodes well for the VSF sector.

## **Outlook**

Your Company will continue to strengthen its leadership position in the Cement and VSF sectors. Substantial increase in capacities, improved cost optimization, higher productivity and strong fundamentals augur well for your Company in the years to come.

I believe our people are our biggest strength. We have further strengthened our endeavour, in these times of a slowdown, to aggressively establish a performance –

***"Your Company will continue to strengthen its leadership position in the Cement and VSF sectors. Substantial increase in capacities, improved cost optimization, higher productivity and strong fundamentals augur well for your Company in the years to come."***

oriented culture that rewards better performance and distinguishes the best performers from the others. I would like to acknowledge all of our performers who deliver results.

### **The Aditya Birla Group: In Perspective**

Today, we manage multinational teams – 1,30,000 employees, comprising 30 nationalities, across 25 countries, anchor our US\$ 29.2 billion meritocratic conglomerate. Our values – Integrity, Commitment, Passion, Seamlessness and Speed, is the thread that strings us together.

Post our Group being declared the “Best Employer” in 2007 by the *Hewitt / Economic Times / Wall Street Study*, our brand as an employer continues to grow strongly. More than 8,000 leading professionals from India and globally have teamed up with us.

Our rigorous assessment process, inclusive of Development Assessment Centres, assesses our people early in their career on their potential to hold leadership roles. This way, we have ensured that we have a robust bench strength of talent. We also use short-term secondments and long-term assignments to develop the capability of our people to work across borders. This year over 1,700 colleagues have been job rotated.

Over 80% of our businesses have participated in a compensation benchmarking exercise this year and we have taken significant corrective and proactive measures to stay competitive and attractive. This positioning will further help us to attract and retain the right talent.

We lay great emphasis on continuous learning through our in-house learning university – Gyanodaya. This globally benchmarked institution leverages resources from around the world to meet the development needs of our people. Over a 1,000 executives have taken courses this year. Additionally, more than 14,000 employees spread across the world, from Farmington Hills in USA to Giza in Egypt

to Perth in Australia and Renukoot in Uttar Pradesh have used Gyanodaya's E-learning platform called GVC. GVC prides itself in having a course completion ratio of 90%, which is a world benchmark.

As perhaps many of you may be aware we track the organisational climate every two years. We use the Organisational Health Survey (OHS), as the barometer of employee engagement at work. It is conducted by Gallup. Over 22,000 executives, across 17 businesses, spanning 25 countries and 750 cities/interiors participated in the OHS6. The participation level at 94%, according to Gallup, is a benchmark. 83% of the employees surveyed in the OHS6 said that they are proud to be an employee of the Aditya Birla Group and get professional satisfaction working here. 67% of our management employees have clearly emphasized their confidence in the ability of the leaders at various levels to successfully manage the emerging challenges that the Group is facing. Almost three-fourths of our employees (73%) have stated that they would definitely advocate our Group as a place to build a meaningful career.

**"Our biggest strength has been an emotional bonding that our employees have with the Group that makes the paradigm of duty truly boundaryless."**

Going forward, I would like to emphasize that the brand of leadership that we seek to build combines the virtues of professionalism with the commanding power of the mind, heart and soul. The mind which has the intellect to perceive the right from the wrong, the heart which has an emotional bond with the organisation that cannot be severed, and a soul that is indomitable. Our biggest strength has been an emotional bonding that our employees have with the Group that makes the paradigm of duty truly boundaryless.

Best regards,

Yours sincerely,

Kumar Mangalam Birla

# GRASIM INDUSTRIES LIMITED

## BOARD OF DIRECTORS

Mr. Kumar Mangalam Birla – Chairman  
 Mrs. Rajashree Birla  
 Mr. M.L. Apte  
 Mr. B.V. Bhargava  
 Mr. R.C. Bhargava  
 Mr. Arun Kanti Dasgupta  
 Mr. Cyril Shroff  
 Mr. S.G. Subrahmanyam  
 Mr. D.D. Rathi (Co-opted w.e.f. 1st June, 2009)\*  
 Mr. Shailendra K. Jain – Whole-Time Director

## Chief Financial Officer

Mr. D.D. Rathi (upto 19th May, 2009)  
 Mr. Adesh Gupta

## Company Secretary

Mr. Ashok Malu

## Statutory Auditors

M/s G.P. Kapadia & Co., Mumbai  
 M/s Deloitte Haskins & Sells, Mumbai

## Branch Auditor

M/s Vidyarthi & Sons, Gwalior

## Solicitors

M/s Amarchand & Mangaldas & Suresh A. Shroff & Co.  
 M/s Mulla & Mulla and Craigie, Blunt & Caroe

\* Whole-Time Director till 31st May, 2009

## EXECUTIVES

### Fibre & Pulp Divisions

Mr. Shailendra K. Jain	Business Director
Mr. S.K. Saboo	Advisor, Chairman's Office
Mr. S.S. Maru	Sr. Executive President, Staple Fibre Division, Nagda
Mr. Vijay Kaul	Chief Marketing Officer
Mr. S. Srinivasan	Sr. Executive President, Pulp & Fibre Business
Mr. S.V. Kulkarni	Sr. Executive President, Birla Cellulosic Division, Kharach

### Cement Division

Mr. S. Misra	Business Head
Mr. O.P. Puramalka	Business Head (Marketing)
Mr. Ratan K. Shah	Business Head (Manufacturing & Project)
Mr. R.M. Gupta	Sr. Executive President, Vikram Cement
Mr. D.R. Dharival	President, Birla White Cement
Mr. Anil Kumar Pillai	Executive President & Unit Head – Rajashree Cement
Mr. S. Natarajan	Executive President & Unit Head – Grasim Cement (South)
Mr. M.M. Tiwari	Executive President & Unit Head – Grasim Cement (Rawan)
Mr. B.B. Joshi	Executive President & Unit Head – Aditya Cement
Mr. Sanjay Agrawal	Jt. Executive President & Unit Head – Grasim Cement (Kotputli)

### Chemical Division

Mr. K.C. Jhanwar	Sr. Executive President
Mr. G.K. Tulsian	Executive President

### Corporate Finance Division

Mr. S.N. Jajoo	Sr. Executive President (On deputation to Vikram Sponge Iron Limited)
Mr. Sanjeev Bafna	President & Dy. Chief Financial Officer
Mr. Pavan K. Jain	Executive President

# MANAGEMENT DISCUSSION & ANALYSIS

## OVERVIEW

The unprecedented and dramatic changes in global macro-economic environment in the financial year 2008-09 (FY09) had its impact on the Indian economy. The year started with a high inflation rate leading to tightening in credit which affected industry. During the second half of FY09, the economy experienced a sharp slowdown in activity, liquidity squeeze and a dip in confidence levels, in line with the global conditions. With a weak second half, when industrial production nearly stagnated and exports declined, India's GDP growth in FY09 has declined to 6.7%, as per the latest CSO estimates. Weak demand conditions were also reflected in the wholesale-level inflation approaching closer to zero by the end of the year.

However, there have been some positive factors. International energy prices have eased considerably. Prompt counter-cyclical measures from policy makers, in the form of interest rate cuts and fiscal stimuli, will moderate the effect of global factors on demand going forward.

Tough macro-economic conditions had a bearing on your Company. Spiralling input cost in the first half, global economic meltdown and reduction in consumer spending in the second half led to decline in profitability.

## CONSOLIDATED FINANCIAL PERFORMANCE

Consolidated Net Turnover at Rs.18,404 Crores increased by 8% mainly attributable to higher volumes in Cement business. Cash profit (excluding exceptional/extraordinary gains) registered a growth of 6% from Rs.3,729 Crores in FY08 to Rs.3,938 Crores in FY09 due to lower current tax. Substantial increase in input and energy costs, across all the businesses coupled with increased depreciation and interest expenses, led to decline in Consolidated Profit after Tax (excluding exceptional/extraordinary gains) from Rs.2,609 Crores in FY08 to Rs.2,187 Crores in FY09.

The performance of individual business segments and their outlook for the future are highlighted in subsequent paragraphs.

## BUSINESS PERFORMANCE REVIEW

### Cement
