**Dear Stakeholders**

**Shri P. C. Kapoor**  
Chairman

This year, the Company completes a decade of its existence. It was a decade of strife and triumphs, of highs and lows, of insurmountable odds and spectacular achievements. But more than anything else it has been a decade of resolve to protect and enhance the shining legacy that is GOL Offshore. Our resolve will only become stronger in the face of mounting adversities currently faced by the Industry and your Company.

The nose diving of oil price has significantly affected the top lines of the offshore companies. The E & P operators world over are reducing capacities, slashing budgets and down sizing in all ways possible. This has also resulted in squeezing of the charter hire rates and consequent cuts in the bottom lines thus delivering a twin blow to offshore operators. The limited offshore jobs are witnessing fierce competition. The talks about possible lifting of sanctions on Iran resulting in further reduction in the oil price, has made the matters worse.

In spite of all these adverse factors, your Company's assets were employed fruitfully throughout the year under consideration without any major incident or accident.

The details of the operations and financial aspects of the Company for the financial year 2014-15 have been brought out in detail in the Directors' Report and Management Discussion and Analysis, which form part of the annual report and hence I avoid the repetition here. I will just provide a brief overview of financials. During the financial year 2014-15, your Company earned a total revenue of Rs. 109851/-lakh. Unfortunately, first time since its incorporation a decade ago, your Company has posted a loss of Rs. 1279/- lakh (after tax) on standalone basis. The reserves of the Company stood at Rs. 110012/- lakh as at the end of the financial year 2014-15.

Of course, we are concerned about the situation and are taking several measures to mitigate it. We are marketing our vessels aggressively. Though long terms contracts have relatively dried up, our endeavor will be to cover it up in the spot market, wherein, though the margins are low, the assets remain gainfully employed. We continue our work on the revamping of the gas processing complex of ONGC. The project has contributed sizably to the revenue of the year under consideration.

We have taken some tough austerity measures to further reduce costs. We are also working seriously towards disposing of certain unproductive assets to reduce the standing costs.

We are also currently in discussion with various lenders / investors and exploring financing avenues whereby the current liquidity mismatch can be taken care of and the work on the assets under construction can be expedited.

Dear stakeholders, I sincerely believe that these tough times will not last very long. Considering the inherent strength of the Company's business, its assets and its employees, we should be able to guide it through these stormy waters. For this we will need your continued faith.

I take this opportunity to thank all our discerning stakeholders for their support and co-operation.

Thank you,

**Prakash Chandra Kapoor**
