FUTURE OUTLOOK

Your Company has established growth track in last three years. Primarily it was concentrated on cost reduction however increase in turnover in the domestic as well as international market are the main moto now. In the same line the company has enhanced its production capacity from 100 tons to 150 tons.

Vision & steps toward growth may increase profitability however overall profitability depends upon overall global economic outlook, global demand-supply scenario and trends.

SEGMENT WISE PERFORMANCE

The Company has only one segments as its total investment is in Sand Castings only. The Production/Turnover of Alloy Steel, and Non-Alloy Steel Castings is quite higher than Stainless Steel Castings.

OPPORTUNITIES AND THREATS

The Foundry industries are depend upon competition among various segments of manufacturers within country and from manufacturers of outside the country. The Threats of competetion is comparatively less in the products which your company is manufacturing viz. Stainless Steel, Alloy Steel, Non-Alloy Steel castings. The Awareness towards quality product and potentiality of Indian casting in foreign market will provide opportunity to your company to increase its sale and capture more market share.

RISK FACTORS

Your Company's Basic raw material is Scrap & Ferro Alloys. Prices of Scrap and Ferro Alloys are fluctuating, in further-ance cost of electricity and cost of labour though under watch they are also matter of concern. The company is utilizing some of zircon base product for manufacturing, however zircon is at present in crisis which resulted in the price hike of such Materials. Increasing trend in the in the price of fuel (Diesel, L.P.G., Kerosin) is always matter of concern for every industry as to ours.

Above this competition in the industry is increased, which has made it hard to raise the price of product though cost of the final product is higher.

Change in Government Policy, Foreign Exchange rate may affect the company. However Company is trying to minimize certain risk by taking the steps, which are in the hand of company.
