MANAGEMENT DISCUSSION AND ANALYSIS

OVERALL REVIEW:

Overall Performance of the company compare to last year has shown growth in terms of sales. Following data shows the same:-

Overall Production	6.63% Grown Up	↑
Overall Turnover (in Rs)	9.31% Grown Up	↑
Domestic Turnover(in Rs)	2.63% Grown Up	↑
Export Turnover (in Rs)	23.60 % Grown Up	↑

The Main products of the company are Stainless Steel, Alloy Steel and Non-Alloy Steel Castings.

Other Income Rs.33.26 Lacs mainly from DEPB Licence Income.

Earning Per Share is Rs. 7.52

FUTURE OUTLOOK

Your Company has established growth track in last three years. It has enhanced its production capacity from 100 tons to 150 tons last year and achieved production of 120 tons, so there is still scope in production enhancement this year. Company is concentrating in cost reduction that becomes natural process of its internal control.

Your Company is conscious in purchase of raw material and related items however last year there was wide fluctuations in the prices of raw material. Industries relating to scrap and steels and metal have shown none predictability last year. This thing affects all the units in the industry, which is natural. It is accepted that this will be stabilized in very near future. Economic growth in India has shown positive impact to the industry and stability in the raw material price will definitely give good results in the future.

SEGMENT WISE PERFORMANCE

The Company has only one segments as its total investment is in Sand Castings only. The Production/Turnover of Alloy Steel, and Non-Alloy Steel Castings is quite higher than Stainless Steel Castings.

OPPORTUNITIES AND THREATS

The Foundry industries depend upon how the raw material prices fluctuates and respective hike in the sales price of finished products, they further depends upon competition among various segments of manufacturers within country and from manufacturers of outside the country. The Threats of competition is comparatively less in the products which your company is manufacturing viz. Stainless Steel, Alloy Steel, Non-Alloy Steel Castings. Awareness towards quality product and potentiality of Indian casting in foreign market will provide opportunity to your company to increase its sale and capture more market share.

GUJARAT INTRUX LIMITED

RISK FACTORS

Your Company's Basic raw material is Scrap & Ferro Alloys. Prices of Scrap and Ferro Alloys are fluctuating, in furtherance cost of electricity and cost of labour though under watch they are also matter of concern. The company is utilizing some of zircon base product for manufacturing, however zircon is at present in crisis which resulted in the price hike of such Materials. Increasing trend in the in the price of fuel (Diesel, L.P.G., Kerosin) is always matter of concern for every industry as to ours.

Above this competition in the industry has increased, which has made it hard to raise the price of product though cost of the final product is higher.

Change in Government Policy, Foreign Exchange rate may affect the company. However Company is trying to minimize certain risk by taking the steps, which are in the hand of company.

ADEQUACY OF INTERNAL CONTROL

The Company has adequate system of Internal Control commensurate with its size and operations to ensure orderly and efficient conduct of business. Company has an adequate internal control system to ensure that .

- All assets and resources are acquired economically, used efficiently and are adequately protected.
- Significant financial, managerial and operating information is accurate, reliable and is provided timely; and
- all internal policies and statutory guidelines are complied with.

The Company has an Audit Committee which regularly reviews the reports submitted by internal Audit team. Company has an internal control system towards achieving efficiency in operations, optimum utilization of resources, effective monitoring, and compliances with applicable laws and regulations.

Company has established Internal Audit Panels by In-house team, to ensure reliability of financial and other records, and to prepare financial statements and other data, and to maintain accountability. Audit Committee of the Board reviews the findings and recommendations of the internal audit Panel.

QUALITY OF PRODUCTS

Company is committed to continuous improvement in quality of the products manufactured by the company. Company has full-fledged laboratory and having a Spectrophotometer for Analysis, having Radiographic facilities, etc. Company has achieved ISO 9001: 2000.

HUMAN RESOURCE AND DEVELOPMENT

Your Company has undertaken employees' development initiatives, which have very positive impact on the morale and team spirit of the employees. The Company has continued to give special attention to Human Resources/Industrial Relations development. Company has also adopted appraisal system & performance review system in some key area.
