## GUJARAT POLY-AVX ELECTRONICS LIMITED

**DIRECTORS' REPORT TO THE MEMBERS**

Your Directors present the Twelfth Annual Report together with the Audited Statement of Accounts for the year ended 31st March, 2001.

**1. PRODUCTION ACTIVITIES**

During the year the commercial production of full range of Single Layer Ceramic Capacitors have increased at our Plant, utilising existing plant and machinery and other equipments. The total production for the year is 787.04 Lac pieces which is higher by 20% compared to production in previous year which was 654.06 Lac pieces. The increase in the production figures are mainly due to increase in production of SLCCs.

Major Orders for the full range of SLCCs have been received from the telecommunication sectors. The actual effect of the Telecom Policy is yet to make a significant impact to demand of our products.

Meanwhile the sales turnover have improved for the year in comparison with the sales turnover for the previous year. The sales during the year was Rs. 734.49 Lacs in comparison to the sales of Rs. 650.14 Lacs in the previous year. Order booking value during the financial year has increased by around 27% despite deep recession in the market. The order booking and sales turnover is expected to improve further with Telecom Policy being implemented.

The Company has also started production and sales of High Voltage Ceramic Capacitors.

With the above possibilities, the Directors are hopeful of increasing the sales turnover of the Company.

**2. FINANCIAL RESULTS**

The Company's operation for the year has resulted into loss of Rs. 342.03 Lacs. There is surplus of Rs. 187.35 Lacs before interest and depreciation. In absence of any profit during the year, your Directors regret their inability to pay any dividend for the year under review.

The killer earthquake that wrecked Gujarat on 26th January, 2001 spared none, and our Company too, was no exception, though the damage was marginal.

**3. FINANCE**

The Company has not received any additional loans from the financial institutions during the year ended 31st March, 2001. The Company has repaid during the year Rs. 32.46 Lacs & Rs. 12.96 Lacs after the end of the year to Bank & Financial Institutions towards principal amount.

**4. FIXED DEPOSITS**

The Company has not received any deposits from public during the year.

**5. PARTICULARS OF EMPLOYEES**

Information as per Section 217(2A) of the Companies Act, 1956 read with Companies (Particulars of Employees) Rules, 1975 is not applicable to the Company as none of the employees are drawing more than Rs. 12,00,000 per annum.

**6. PROCEEDINGS BEFORE THE BIFR**

As you are aware, your Company has been referred to BIFR for adoption of revival measures with respect to it in accordance with the provisions of the Sick Industrial Companies (Special Provisions) Act, 1985. Having exhausted the route to revive the Company even by exploring the possibility of change in management of the Company, BIFR decided to issue at the hearing held on 18th February, 1999, a Show Cause Notice (SCN) in terms of Section 20(1) of SICA inviting objections/suggestions to SCN as to why the Company should not be wound up, in public interest. At the hearing held on 18th May, 1999, BIFR observed that in view of serious interest evinced by some prospective parties some more time should be granted to explore the possibility of forming the revival package and, therefore, gave certain directions in that behalf.

The proposed Industrial Cooperative of Workers and Employees has submitted a comprehensive revival scheme, in joint participation with the existing management, to the Operating Agency (OA) as also to BIFR. Efforts are being made to muster the support of the bank and financial institutions to the said revival scheme. In the meanwhile, as the Company has attained

remarkable and commendable growth in terms of sales and profitability during the year under review over the past years, it is expected that BIFR may consider the same if the due support is extended by the bank and financial institutions and give an opportunity to the Company for its rehabilitation. However, the SCN is kept operative by BIFR.
