DIRECTOR'S REPORT

To the Members,

Your Directors present the 51st Annual Report of the Corporation together with the audited statements of Accounts for the year ended 31st March 2011.

1.0 Economy :

From a macro-economic perspective, the year 2010-11 was a year of great contrasts. While the global economic recovery advanced, it remained uneven between advanced nations and emerging markets. However, India continued to provide platform in the world economy throughout the year. The Gross Domestic Product (GDP) of India is estimated to have grown at 8.6% in 2010-11 in real terms. In 2010-11, agriculture is estimated to have grown at 5.4% and services at 9.6%. All three sectors have contributed to the consolidation of growth. More importantly, the economy has shown remarkable resilience to both external and domestic shocks. Notwithstanding a good growth tempo, domestic inflation remains a cause of concern. Inflation, fueled by rise in price of primary articles, is expected to drag down overall economic growth. Anti-inflationary stance resulted in Reserve Bank of India taking a number of corrective measures during the year. However, inflation is expected to moderate slowly but remain above the comfort level during 2011-12.

2.0 Operational Results/Financial Highlights :

As informed to members earlier, Corporation has discontinued its main business of extending financial assistance to industrial concerns since August 2001. The source of income is, therefore, reduced to recovery of dues only and Corporation has deployed its entire machinery in that direction. In order to reduce the inventory, Corporation continued to make vigorous efforts to dispose off the assets taken over by it. During the year under report, an amount of ₹ 12.84 crore was realized from sale of units/assets as against ₹ 11.29 crore during 2009-10.

Corporation continued to operate 'One Time Settlement Scheme' during the year for accelerating recovery of dues from its loanees. During the year, an amount of ₹ 22.66 crore was recovered under the scheme.

During the year under report, the total income of the Corporation including extra-ordinary item stood at ₹ 64.21 crore and the total expenditure was to the tune of ₹ 221.13 crore resulting into a net loss of ₹ 156.91 crore. The corresponding figures for the last year were ₹ 55.45 crore, ₹ 184.83 crore and ₹ 129.38 crore respectively. The accumulated loss as on balance sheet date is of ₹ 1705.49 crore.

3.0 Resources/Financial Restructuring :

State Government has continued to extend financial support to the Corporation. During the year under report, Corporation has received assistance by way of loan of ₹ 5.00 crore from Government of Gujarat, which was utilized for repayment and premature redemption of bonds guaranteed by the State Government. The outstanding Government guaranteed bonds as on 31/03/2011 was ₹ 4.20 crore as against ₹ 18.98 crore at the end of previous year.

4.0 Recovery :

During the year 2009-10, total recovery of the Corporation amounted to ₹ 38.35 crore as against ₹ 35.22 crore during FY 2009-10.

5.0 Staff Strength :

The total staff strength as on 31/03/2011 is as under :

1.	Grade 'A' Officers	09
2.	Grade 'B' officers	99
3.	Grade 'C' employees	26
	Total	134

Of the above, 48 staff are on deputation/loan service to other offices of the Government.

6.0 Audit :

As recommended by RBI under the provisions of Section 37 (I) of the SFCs Act, 1951 and approved by the members in the 50th Annual General Meeting, the Corporation appointed M/s. Mahendra N Shah & Co., Chartered Accountants, Ahmedabad, as Statutory Auditors to conduct audit of the Books of Accounts of the Corporation for FY 2010-11. They, being eligible, have given their consent to continue to act as Auditors of the Corporation for FY 2011-12. RBI has also confirmed their eligibility for re-appointment. Members are requested to consider their re-appointment as Auditors of the Corporation for the current year 2011-12.

7.0 Board of Directors :

During the year under reference, nominations of S/Shri Harsh Kaul and D Ghosh as Directors were withdrawn by SIDBI vide letters dated 10.6.2010 and in their places, S/Shri KC Bhanoo and R. D'Silva were nominated.

The Board welcomes the nominee Directors. Board noted the contributions made by the outgoing Directors during their tenure and placed on record its highest appreciation for their services.

ADDENDUM TO THE DIRECTOR'S REPORT

EXPLANATORY NOTES OF THE BOARD ON QUALIFICATIONS/OBSERVATIONS OF STATUTORY AUDITORS

Point No. V

Interest provision of ₹ 12.65 lakh on PSB bonds IV has not been made due to the fact that all bondholders, except three, have agreed for restructuring and such agreed bondholders have been paid installments regularly in accordance with the agreement. Since these bonds have already matured and bondholders who have not agreed for restructuring are being persuaded for accepting the restructuring, provision has not been made.

Point No. VI

Reconciliation of General Ledgers and Sub-ledgers

Some credit balances have come because of loanees are paying in advance. Reconciliation is an ongoing exercise and most of the accounts have already been reconciled with the general ledger. Since the amount under review is insignificant compared to the total asset block, it hardly makes any difference in the provisions.

FIXED ASSETS

Corporation provides depreciation as per the provisions of Income Tax Act. Corporation has decided to calculate Profit or Loss on the assets sold where the nature of assets are significant, outdated unrepairable computers where the gain hardly makes any difference and required lengthy calculation. The gain or loss is recognized and suitable adjustments are made in the respective accounts.

GSFC TOWER AT SURAT

The note itself is self-explanatory of the action taken by the Corporation.

INVESTMENT

The securities under question are acquired long back. Some companies are not in existence. The shares are not tradable in the open market. Under these circumstances, Corporation could not dispose off the securities though more than 7 years have passed. However, Corporation has made total provision for diminution in value on investment keeping aside a token value of ₹ 1/- in abeyance.

UNCLAIMED/UNPAID DIVIDEND

The provisions of SFCs Act are applicable to the Corporation instead of Companies Act. Further, Regulation 58 (iv) empowers the Corporation to retain the dividend. Since there is a specific provision under the governing regulations framed under the applicable Act, unpaid dividend has not been transferred to Investor Education & Protection Fund.

Loan and Advances & NPA Provision

Corporation has more than 5000 units under doubtful category scattered in State of Gujarat where valuation of each unit is not feasible. Moreover, Corporation has already made provision for 99.55% of the loan assets classified as doubtful category. As a prevailing practice, Corporation gets valuation done from outside valuers for those units which are under possession of the Corporation.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

GSFC is established as a State level development financial institution to provide a comprehensive array of financial services to entrepreneurs who set up industrial units in Small Scale Sector in the State of Gujarat. Due to discontinuance of sanction and disbursement, Corporation is solely dependent upon recovery of dues. Corporation has recovered an aggregate amount of ₹ 38.35 crore during the year as against ₹ 35.22 crore during the previous year.
