## OPERATIONS :

During the year under review, the sales has increased from Rs. 87.77 lacs in the previous year to Rs. 105.01 lacs, registering a growth of 19.6%. After providing for interest of Rs. 14.00 lacs (Previous year Rs. 14.95 Lacs) Depreciation of Rs. 19.06 Lacs (Previous year Rs. 19.52 Lacs), amortisation of Rs. 2.10 Lacs (Previous year Rs. 2.10 Lacs) and tax provision of earlier years Rs. 0.35 Lacs (Previous year Rs. 1.90 Lacs), your Company has suffered a loss of Rs. 14.82 Lacs (Rs. 20.94 Lacs). your Directors express their inability to recommend any dividend for the year under review, in view of the losses that the company has suffered.

The Company continues to be adversely affected due to continuance of recession in the economy. The demand for the products in which your Company is operating is now showing some signs of improvement.

## OUTLOOK :

Business conditions are becoming highly volatile and uncertain. However due to concentration into few business segment your company has been able to increase the sale.

The strategy adopted by your Company is to concentrate only on few sectors like Writing Instruments, caps and Closures, Medical Disposable and Micro Drip Irrigation, The Company is emerging as a solution provider in these sectors and not simply mould supplier. This will enable the company to setup strong know-how base in these sectors. To further improve the technology to satisfy customers in these segments, your company is also seeking strategic alliances, which will result into acquisition of higher technology. Your company will focus on high cavitation, high performance, and high technology moulds, This will set it apart from other mould makers, thus giving a clear competitive advantage.

During the year, your company has developed for the first time in India a fully hot runner system for multi cavity moulds. While the performance of system is comparable to that of imported systems, the cost of the system is considerably lower than that imported system. Your company will emerge as a supplier of hot runner system in near future.

During the year, your company has developed for the first time in India child resistance closure which finds wide application in pharmaceutical and other markets.

During the year, your company has also developed flip top cap moulds and also moulds with automatic unscrewing mechanism for the first time.

During the year, your company has also started supply of moulded components to some of the customers. This is a step forward in the value chain. In future your company plans to concentrate on such orders which allow manufacture of moulds and supply of production.

Your company is continuing to strive for strengthening the technology base. This will eventually enable the management to increase share holders value.

## DIRECTORS :

Shri Samveg A. Lalbhai and Shri G. S. Davar directors of the Company retire from the Board by rotation in accordance with the provisions of Article No. 22(b) of the Articles of Association of the Company and being eligible, offer themselves for re-appointment. The Board recommends re-appointments of the aforesaid directors.

## FIXED DEPOSIT :

The Company has not accepted any deposit coming under purview of the provisions of section 58(A) of the Companies Act, 1956, read with the Companies (Acceptance of Deposits) Rules, 1975, as amended.
