Chairman's Statement

Dear Friends,

It gives me great pleasure to share with you an update on the overall performance of your Company in 2016-17. It was yet another difficult year for the global economy, characterised by low growth and geopolitical uncertainties. In India, rural demand continued to be sluggish in the early part of the year on the back of two consecutive poor monsoons. The overall market showed signs of recovery in the latter half of the year but faced a temporary slowdown in November due to demonetisation.

During the year under review, your Company has taken up major capex programme in potential areas of growth. As part of this programme, during the FY 2016-17, the Company has made additions of ₹ 85.42 crores to its gross fixed assets as compared to previous year ₹ 26.95 crores. In addition to this, the Company has capital work in progress of ₹ 96.93 crores (previous year ₹ 97.22 crores).

Your Company split its stock from face value ₹ 5/- per share to face value of ₹ 1/- per share. With effect from 28th December, 2016, in order to improve the float and liquidity of the stock in the interest of both existing and potential investors.

In the tune of progressive Dividend Policy, the Board of Directors declared and paid an interim dividend of 40 percent (₹ 2.00 per fully paid-up equity share of ₹ 5/- each) in October, 2016. The financial year 2016-17 concluded with recommending a final dividend of 30 percent (₹ 0.30 per fully paid-up equity share of ₹ 1/- each) aggregating to 70 percent i.e. amounting to ₹ 328.42 lakhs, subject to the approval of the shareholders at the Annual General Meeting.

Despite significant pressure on margins due to higher raw material prices, higher depreciation and slower economic growth, your Company has sustained its profitable growth story.

A focus on shareholder returns is at the heart of the strategy. The Board believes that high-quality and sustainable long-term revenue and earnings growth, combined with a disciplined approach to capital allocation and progressive dividend policy, will drive superior returns for shareholders.

Your Company is also committed to its social responsibility agenda and contribute meaningfully to the communities that it operates in. Your Company continues to focus in the areas of Education, Health & Hygiene, Rural development and Water management to enhance the livelihoods of people in its operating communities. These initiatives, along with several others, reaffirm our belief that addressing societal needs and business growth go hand-in-hand.

Besides existing plants updatation, your Company has undertaken three more projects as below:

- i. At Muzaffarnagar facility: In August 2016, the Company has started commercial production of Native Starch, by using Corn as raw material, with capacity to process 300 tons of corn per day. The product is selling under the brand 'Rhino' and has been well accepted as a strengthening agent by the paper mills in and around 150 km of our Muzaffarnagar facility. The Product has a huge location advantage as Western U.P. being a hub of Paper Mills, alone consuming 6000 tons of starch every month.*
- ii. The Company has set up rice grinding unit to produce High Fructose Rice Syrup at Muzaffarnagar facility. In January, 2017, Company commenced the commercial production of HFRS.*
- iii. At Chhindwara facility: Potable Alcohol Plant is also expected to be completed by the 2nd quarter of FY 18.*

It has been a year of further progress – strategically, operationally and financially. In rapidly changing markets we continue to focus our energies on shorter decision timelines, rapid deployment and strong customer focus. We can only do this successfully with excellent people and, on behalf of the Board. I would like to thank all our employees and partners for their very considerable efforts in the past year. I look forward with confidence to your Company's response to further changing customer demands in the year ahead.

None of these achievements would have been possible without the passion and commitment of our employees - our biggest asset.
