Annexure I to the Directors' Report

MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)

COMPANY'S SUSTAINABILITY INITIATIVES FOR RE-ENGINEERING:

The year 2011-2012 has been a year of total re-engineering for the Company. In the midst of the economic and liquidity crisis, the Company was able to sustain tougher times largely due to the following initiatives undertaken:

- *adopted the concept of affordable apartment in the residential segment;*
- *focus to affordable housing segments which is perceived to have maximum demand;*
- *To maintain the Zero Debt Status.*
- *revisiting effectiveness of internal and external audit mechanism in order to ensure greater transparency for regulators and other statutory authorities.*
- *slashing overheads and improving cost efficiencies;*
- *exploring newer construction techniques that would result in substantial savings over conventional techniques exploring the use of new construction materials, better mechanization and technology for green and environment friendly approach or accreditation for the development of the project undertaken by J.V.,*

ECONOMIC OVERVIEW:

Global economy presented a positive growth in the previous year & has continued its recovery in the year 2011, mainly led by emerging market economies. Advanced economies have, however, performed below potential & are facing serious adjustment problems in some. Indian economy as a whole continues to post a robust growth in 2011 with a GDP growth of 8.5%. Domestic demand has been good, as were the corporate earnings & profit margins. Inflationary pressure has been persistently above comfort level despite regular hammerings by the monetary & fiscal authorities & is getting careful monitoring from authorities.

REAL ESTATE INDUSTRY:

The Indian real estate industry has been very volatile during 2010-2011. Scams, tax reforms, the easement of foreign direct investment norms had far reaching effects on Indian realty sector and also the economy.

The importance of the Real Estate Sector, as an engine of the nation's growth, can be gauged from the fact that it is the second largest employer next only to agriculture and grows at about 30% per annum. Five per cent of the country's GDP is contributed by the housing sector. The Real Estate Industry has significant linkages with several other sectors of the economy and over 250 associated industries.

The industry caters to the most basic needs of the people, society, industry & business segments, but is plagued by many ills. Some are created by the players themselves & some others are results of government policies & general apathy.

Multiple taxation levies & their complexities coupled with innumerable approvals required to start & complete a project, are back-breaking. On top of these are lack of clarity on even land ownership at local government levels, giving rise to unproductive litigation & apprehension.

On the other hand, there have been some welcome initiatives at both apex & state levels, towards creating awareness & encouraging environment friendly, socially relevant & employment-generating projects. Continuing expenditure on infrastructure development is also a very positive action on the part of the government.

THE BUSINESS ANALYSIS:

The Company currently operates either on its own or through its subsidiaries / joint ventures / associate companies in the Residential segment of the Real Estate business, and has focused on affordable housing segment. The company identifies the land owners and forms joint venture and assist them in obtaining necessary approvals, planning, execution and marketing of the projects on behalf of the joint Venture, Associate etc.

OPERATIONS:

Residential:

Anticipating the huge demand potential in the low cost housing segment, the Company has commenced under the J.V. a affordable housing scheme project in Pune in the year under report. The Company's low land acquisition cost and execution expertise through its J.V. will ensure profitability in these type of projects.

Holiday Homes:

During the previous year, the real estate project viz. Hazoor Hill Grand near Aambey Valley, Lonavala had been recognized as impaired in accordance with the Accounting Standard 28 (AS-28) - "Impairment of Assets" issued by ICAI. During the year no provision of impairment loss or reversal has been made to the profit & loss Account.

OPPORTUNITIES, THREATS, RISKS & CONCERNS:

Demand for quality residential & commercial premises are growing & the trend is expected to continue due to:
