Chairman's Message:

Dear Stakeholders,

I wish that you are safe, healthy and taking all precautions for your wellbeing.

I hope this message finds you and your loved ones safe. The second wave of Covid19 has taken a terrible toll on our country, and our employees, shareholders, and stakeholders have all faced adversity in recent months. I'd like to take this opportunity to convey our deepest condolences to those who have lost loved ones.

India is now emerging from the second wave and we are cautiously optimistic that the worst of the pandemic is behind us. With vaccinations picking up pace considerably, and with high levels of previous infection also providing protection, I'm hopeful that any subsequent wave of the pandemic will not be as devastating as the second wave in April and May.

Though the COVID-19 pandemic represented an unprecedented crisis, HMPL, ensured minimum impact of adverse events on its business activities. The company reacted swiftly to address and mitigate the impact of the pandemic on its business. FY 21 has been a year where we strengthened our position and focused on execution, growth and expanding horizons. Our project is on track and our teams are working relentlessly to ensure their timely completion of project. We are confident that given our strategic initiatives, our company will emerge much stronger and resilient over the next few years. The performance of your Company during the Financial Year 2020-21 has improved since the end of the 4th Quarter.

We have seen a second wave of this infection that was even more severe than the last one, with the healthcare system being severely strained. However, with vaccines becoming available and many private and Government investments in oxygen plants, there is hope that we will be able to fight any more waves of the infection much more effectively.

The start to the new financial year has been very challenging. The devastating impact of the second wave derailed the positive momentum in the sector in the second half of FY 2020-21. We have done our best to stand by our teams and support them through this crisis. While there is no question business momentum in the first quarter of the new financial year will be severely dented by the impact of the pandemic, we are optimistic that high levels of vaccination for our team members and stakeholders, combined with rapidly increasing vaccinations across India and sharp declines in new cases and hospitalisations, will allow governments to gradually and cautiously open up the economy. Unlike last year, when we didn't know whether we would have successful vaccines or how long they would take to develop, or what consumer's disposition towards real estate purchases would be, this year we have answers to these questions and, fortunately, the answers are encouraging. HMPL had its best ever annual sales last year despite the pandemic, due to very strong momentum for residential real estate demand in the second half of the year.

Buyers were driven by the increased desire to pursue the security and comfort of home ownership in greatly uncertain times. They were also driven by record low mortgage rates and the highest ever levels of affordability for real estate. These positive factors all continue to be in place and we expect a considerable improvement in the business environment from the second quarter of Financial Year 2022. They are driven by your Company's commitment to excellence, sustainability, and diversity. I am grateful to each of them for their exceptional resilience, commitment, and ambition. We would like to thank our customers and business associates for their support. Finally, we owe thanks to you, our shareholders, for your continued confidence in HMPL.

I end this letter to you with hope in my heart that my next letter to you will be in better times.

Best regards,

Sd/-

However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed Entities in India. This necessitates registration on various ESPs and maintenance of multiple User IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.
