PERFORMANCE

The Company has been able to improve its sales and production of Building Products during the year under review. The sales and production was 299242 MT. and 306543 MT. as against 279345 MT. and 275036 MT. respectively. The new fibre cement sheet plant at Vijayawada achieved full capacity utilisation during the year under review.

The over supply position continued during the year under review leading to pressure on the margins of the Building Products Division of the Company. Despite lower margins, this Division continued its positive contribution to the Company. Efforts are continuing to further reduce the operating costs.

During the year under review, Aerocon Blocks and Aerocon Panels showed satisfactory response. With the initiatives taken to strengthen the marketing and distribution network, the sales of these products is expected to substantially improve during the current year.

The production and sales of Jointings, Thermal Insulation Products (Refractories) and Process Plant and Machinery was satisfactory.

The performance of Heavy Engineering Division was affected adversely during the year under review due to sluggishness in core sector industrial activity. Restructuring of the Division and cost reduction initiatives continued during the year with an aim to facilitate the Division to turn the corner.

FINANCE

The Company continued its thrust on effective working capital management during the year under review. However, interest charges were high due to term loans for new projects.

During the year under review, fifth and final instalment of 14% Secured Redeemable Non-Convertible Debentures and third and final instalment of 19% Secured Redeemable Non-Convertible Debentures were redeemed. The funds raised by the issue of debentures have been and are being utilised for the intended purposes.

DEPOSITORY SYSTEM

During the year, the Company has entered into an arrangement with the Central Depository Services (India) Limited (CDSL) and National Securities Depository Limited (NSDL) for dematerialisation of Company's securities in accordance with the provisions of the Depositories Act, 1995, which are now fully operational and members may avail of such facilities. With this, the members have the option/discretion to hold their demat shares in the Company through the CDSL or NSDL.

EXPANSION AND DIVERSIFICATION

The Company has taken steps to set up a fibre cement sheets project at Wada, Maharashtra and the plant is expected to be commissioned by June, 2000. Due to its locational advantage, this plant will further improve the competitive position of the Company.

Y2K COMPLIANCE

In view of various initiatives taken to address Y2K related issues, the Company managed flawless transition to the new millennium without any disruption to its business operations.

RESEARCH AND DEVELOPMENT

The Department of Scientific and Industrial Research, Government of India renewed the recognition of Company's Research and Development (R & D) Centres for a period of three years. The emphasis on extensive R&D continued during the year under review. The R&D activities were directed towards modernisation, automation and technological innovation, development and commercialisation of value added products, exploring new avenues for import substitution with an aim to reduce production costs.

Directors' Report (contd.)

HYDERABAD INDUSTRIES LIMITED

DIRECTORS

Mr. C.K. Birla, Mr. Shreegopal Daga and Mr. A.V. Ganapathy, Directors of the Company, retire from the Board by rotation in accordance with the Articles of Association of the Company and being eligible, offer themselves for re-appointment.

AUDITORS

M/s. S.G. Dastgir & Co. and M/s. S.R. Batliboi & Co., the present Auditors of the Company retire and are eligible for reappointment. However, M/s. S.G. Dastgir & Co. have expressed their unwillingness to be re-appointed. Hence, the Directors propose to re-appoint M/s. S.R. Batliboi & Co. as the sole Auditor of the Company. Auditors' Report

HYDERABAD INDUSTRIES LIMITED

TO THE MEMBERS OF HYDERABAD INDUSTRIES LIMITED

We have audited the attached Balance Sheet of Hyderabad Industries Limited as at 31st March, 2000 and the attached Profit and Loss Account for the year ended on that date. We report that in our opinion and as per the information and explanations furnished to us and the books and records examined by us in the normal course of audit:

- 1. The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets. The Management carries out physical verification once in three years and accordingly, the physical verification of fixed assets was carried out during the year. No material discrepancies have been noticed on such verification as compared to book records. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets.
- None of the Fixed Assets of the Company have been revalued during the year.
- a. The stocks of finished goods, stores, spare parts, raw materials and components, except those lying with outside parties, have been physically verified by the Management at reasonable intervals during the year.
 - b. The discrepancies between physical stocks and the book records, which were not material, have been properly dealt with in the books of account.
 - c. The procedures followed by the Management for such physical verification are, in our opinion, reasonable and adequate in relation to the size of the Company and the nature of its business.
 - d. In our opinion the valuation of above stocks, subject to Note No.10(c) of Schedule 20, is fair and proper in accordance with the normally accepted accounting principles and subject to Note No.16 of Schedule 20, is on the same basis as followed in the previous year.
- The Company has not taken any loans, secured or unsecured, from companies, firms or other parties as listed in the Register maintained under Section 301 of the Companies Act, 1956.
- 5. The terms and conditions of the unsecured loans given to a company as listed in the Register maintained under Section 301 of the Companies Act, 1956 are not prima facie prejudicial to the interest of the Company.
- Advances in the nature of loans given to employees and others are generally being realised as per stipulations, wherever made, along with interest, wherever applicable.

- 7. There are adequate internal control procedures commensurate with the size of the Company and the nature of its business with regard to purchase of stores and spares, raw materials, components, plant and machinery, equipment and other assets and for sale of goods.
- 8. The transactions of purchase of goods and materials and sale of goods, materials and services made in pursuance of contracts or arrangements entered in the Register maintained under Section 301 of the Companies Act, 1956, and aggregating during the year to Rs. 50,000/or more in respect of each party, have been made at prices which, in our opinion, are reasonable having regard to prevailing market prices for such goods, materials or services or the prices at which similar transactions have been made with other parties, as the case may be.
- 9. As explained to us, unserviceable or damaged stores, raw materials, components and finished goods including goods purchased for resale have been determined by the Management and adequate provision for the loss arising on such items has been made in the accounts.
- 10. The Company has not accepted any deposits from the public within the meaning of Section 58A of the Companies Act, 1956 and the rules framed thereunder.
- 11. The Company has maintained reasonable records for the sale and disposal of its realisable scrap and by-product, where significant.
- 12. The Company has an adequate internal audit system commensurate with the size and the nature of its business.
- 13. We have broadly reviewed the books of account maintained by the Company pursuant to the order made by the Central Government for the maintenance of cost records under Section 209(1)(d) of the Companies Act, 1956 and the rules made thereunder in respect of the products to which the said rules are made applicable and are of the opinion that, prima facie, the prescribed accounts and records have been maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate and complete.
- 14. The Company has been regular in depositing Provident Fund and Employees State Insurance dues with the appropriate authorities.
- 15. There are no undisputed amounts payable in respect of Income tax, Wealth tax, Sales tax, Customs duty and Excise duty outstanding as at 31st March, 2000 for a period exceeding six months from the date they became payable.
