The Beautiful Lotus Art, The Leela Palace New Delhi

CHAIRMAN'S STATEMENT

Captain C.P. Krishnan Nair
Chairman
Hotel Leelaventure Limited

Dear Shareholder,

As I look back on the year gone by, I am convinced in my belief that India will take its rightful place in the world as a global superpower. Despite crisis and challenges, India's resilience to withstand and weather these adverse challenges is commendable. The Government managed to overcome several apprehensions and controversies which threatened to disrupt the Commonwealth Games - the biggest international multi-sport event to be held in Delhi - but it successfully averted attention from negative reporting with a spectacular opening and a resounding finish with global praise and applause. Having embarked on the journey towards economic development, we must face all challenges and obstacles to ensure that our rightful place in the world is not compromised. I am pleased to inform you that, as committed, The Leela Palace New Delhi opened several rooms in time for the Games - in the year that also marks the centenary of the establishment of Delhi as the capital city of modern India.

With the grand opening of The Leela Palace New Delhi at Chanakyapuri, we have strengthened our position as a premier player within the luxury segment of the Indian hospitality industry. The hotel benchmarks new standards of luxury, service and comfort in the country. The hotel is already creating waves in the international market. The Condé Nast Traveller UK has voted The Leela Palace New Delhi as among the best new hotels to be opened in the world in its Hot List.

The hotel has also featured in the IT List of Travel + Leisure USA as among 50 favourite new hotels and in 'How To Spend It' - the luxury and lifestyle supplement of Financial Times UK.

We have strengthened our brand image in the international markets by placing strategic advertisements in well placed international publications. The Leela Palaces, Hotels and Resorts are the exclusive India partner for the GHA Discovery Guest Recognition Programme launched in Financial Year 2010. The programme already has 1.6 million members globally which should have a positive impact on the occupancy rate, driving incremental revenues and building customer loyalty

Industry Initiatives

India's GDP performance continues to be strong and encouraging. The country continues to be an exciting destination for the global business and leisure traveller due to the continued pace in economic activity and the efforts made by the Ministry of Tourism promoting India overseas through the aggressive Incredible India campaign. The pace of constructing hotel rooms however need to be accelerated and this can be done by giving the industry the much needed status of infrastructure industry. The hotel industry is a highly capital intensive industry and the considerable benefits it will get by granting infrastructure status will not only help in cheaper finance for expansion but also give the industry tax sops that will boost the tourism industry. This will in turn, create thousands of jobs enhancing the employment opportunities in the country.

Performance Review

In the fiscal year 2010 -11, I am happy to inform you that your company has announced encouraging results. With the stabilization of The Leela Palace Udaipur, improved performance of our other hotels and the addition of The Leela Palace New Delhi, the revenue is expected to go up by 45% in the Financial year 2011-12. Going forward we also plan new properties in Agra, Lake Ashtamudi (in Kerala) and Jaipur.

Acknowledgement

People have always been our most valuable asset and I would like to acknowledge and thank the exemplary hard work and commitment of each and every employee of the Leela family who ensure that the 'Leela Experience' is never compromised. I also take this opportunity to extend my gratitude to all our shareholders and Board members for their support and good wishes.
