During the year the company registered a growth of 17% in total income and 27% in Operating Profit as compared to the previous year. The Net Profit for the year increased by 156% from Rs. 98.29 lacs in 2005-06 to Rs. 251.94 lacs in the Current year. The same was achieved due to constant monitoring of operations and inspite of fierce competition prevailing in the Auto Component industry.

FUTURE OUTLOOK AND PROSPECTS

The country has been identified as cost effective option for manufacture of Auto components by Automobile majors. This shall result in cost benefit advantages to the Company. The Company has undertaken expansion of Crankshaft Machining facilities and the same are likely to be operational by the end of 2007. This expansion shall place your company as a leading Crankshaft Manufacturer for heavier vehicles.

The above expansion project is being financed by raising Equity Share Capital and availing Rupee Term Loan from Banks.

However, the availability and price of steel the major cause of concern for the industry.

SHARE CAPITAL

The issued and subscribed Share Capital of the Company was increased by Rs. 150 lacs on account of conversion of 150 lacs Warrants in to Equity Shares.
