Mr. Rama Shankar Pandey was appointed as Managing Director of the Company w.e.f. 1st January 2010 at a remuneration of Rs 12 Lakhs p.a. The Remuneration Committee and Board of Directors considered the revision in remuneration of Mr Rama Shankar Pandey and the same was approved in their meeting held on 16th March 2010.

The members may also note that for payment of above remuneration of Rs 30 Lakhs per annum, approval of Central Government shall be required as the same is beyond the limits prescribed in Schedule XIII of the Companies Act, 1956. *Once the company would be able to obtain Central Government Approval on the proposed remuneration, the existing remuneration (i.e. remuneration approved by board in their meeting held on 28th January 2010) stands automatically cancelled. In other words, the liability of the company towards remuneration of Managing Director would be limited to the extent of Central Government approval.*

The Directors consider the proposal to be in the interest of the Company and accordingly recommend the same for approval of the shareholders by way of special resolution.

Mr Rama Shankar Pandey is deemed to be concerned or interested in the above business.

AUDITORS & THEIR REPORT

The Statutory Auditors of the Company, M/s BSR & Co, Chartered Accountants, retire at the ensuing Annual General Meeting and, being eligible, offer themselves for re-appointment. The Company has received a letter from the Statutory Auditors to the effect that their reappointment, if made at the ensuing Annual General Meeting, would be within the limits prescribed under section 224 (1B) of the Companies Act, 1956.

The observations/remarks/qualification given by the Auditors in its report have been noted and the comments on the same were as under:

1. *attention is invited to note 19 of schedule 14 with regard to certain transactions covered under section 297 of the Companies Act, 1956, in respect of which prior approval of the Central Government, as envisaged under that section has not been obtained;*

Comments of Directors: The Company had planned to build the new building at Faridabad as a part of its expansion plan, but at the later stage your Company was of the opinion that it would be unviable to continue the expansion plan and decided to discontinue the construction of building and there was some building material which was unutilized. Mr. Stephan Gerres, who was the Managing Director of the Company at the time of default, was also the Director of Hella India Electronics Private Limited. Your Company had sold its unused construction material to Hella India Electronics Private Limited for cash at prevailing market rate. In few transactions, due to inadvertence, the transaction for sale of unused building material was concluded and the payment was made after some days and the Company, Mr Stephan Gerres and erstwhile Company Secretary of the Company became persons in default u/s 297 of the Act.

The persons in default have already applied for the compounding of aforesaid default u/s 621A of the Act.

2. *As at 31 March 2010, the accumulated losses of the company are more than fifty percent of its net worth. While the Company has not incurred cash losses in the current financial year it had incurred cash losses in the immediately preceding financial year.*

Comments of Directors: The Company is consistently trying to overcome the situation. The Company has performed well in current

HELLA INDIA LIGHTING LIMITED

financial year and made cash profit in the current financial year. To reduce its losses and enhance its capital the Company has converted its External Commercial Borrowing (ECB) of 0.9 Million Euro into Preference Share Capital resulting in saving of interest on the said ECB. Now the Company is focusing its business activities under the single manufacturing facility at Derabassi. The Company will be able to enhance profit margins by improved utilization of valuable resources in effective and efficient manner at its single manufacturing unit i.e. Derabassi. Therefore, management is very hopeful that company will overcome the situation and will not incur further losses.

3. *According to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that the Company has used funds raised on short term basis, to the extent of Rs. 155,329,013 for long term investment.*

Comments of Directors: During the year, the company had to use short-term funds for long-term purposes because of non-availability of long-term funds. The Company is planning to repay all its short term loans in this financial year. The substantial amount has already been repaid.

FIXED DEPOSITS

Your Company has not accepted or renewed any deposits under section 58A of the Companies Act, 1956, during the year under review.

INDUSTRIAL RELATIONS

Relations with the work force at both the Units remained cordial through out the year except one incident where some of the employees of the Faridabad plant had filed a suit in the month of July 2010 against the Company claiming certain dues as part of the closure process of the plant. However, the same was resolved amicably with workers. The Directors wish to place on record their appreciation of the sincere and devoted efforts of the Management, Staff and workers during the period under review.

STATUTORY DISCLOSURES

The information relating to the Conservation of energy, technology absorption and foreign exchange earnings and outgo as required under Section 217(1)(e) of the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 is annexed as Annexure II and forms part of this report.

(Note : However an application for revision in remuneration of Managing Director, w.e.f. 1st January 2010, is still pending with the Central Government and if approved, the approved remuneration may be beyond the prescribed limit).

SALE OF LAND AT FARIDABAD

The Company had decided to sell the aforesaid land. Consequently, the Company has entered into a Memorandum of Understanding on 3rd June 2010 for the selling of aforesaid land. The validity period of MOU is six months.
