MANAGEMENT DISCUSSION AND ANALYSIS

(a) Industry Structure and Development:

The Company manufactures material handling equipments, such as, Chain Pulley Blocks, Chain and Wire Rope Electric Hoists, Ratchet Lever Hoists, Winches, Roll-out Racks, Light Profile Systems, Pulling and Lifting Machines, H.O.T./E.O.T./Jib Cranes, Floor Operated Stacker Cranes and Stores Stacker Cranes. The Company supplies its products to various industries, such as, iron and steel, cement, oil and gas, chemicals, construction, material handling equipments' manufacturers, state electricity boards, turn-key solutions providers, etc., wherever unit loads are moved. The Company is also marketing Shrouded Conductors of AKAPP, Netherlands.

The Company has a modern machine shop, assembly lines and testing facilities. Strict quality control is maintained through raw-materials, in line and finished product inspection. The Company is supported by well qualified vendors and ancillary workshops. The Company has ISO-9001 accreditation from RWTUV of Germany since May, 1997.

The Company has 4 Windmills of 1.25 M.W. each, installed in District Dhule of Maharashtra.

Even though the Indian industries could withstand the worldwide economic slow-down because of its large domestic consumption, the pace of growth, particularly capital goods industry, is still slow, with the result the order booking and the sales turnover are not increasing as expected.

(b) Opportunities and Threats:

The Company has adequate capacity to meet the market demand for its products and can effect quick delivery to the customers. The Company has developed good quality vendors, who can supply the components to the company according to its requirements. The Company had conducted a market survey for its products and is now trying to increase its sales and market share through aggressive marketing. The Company is strengthening its marketing set-up by appointing new Business Facilitators and are also advertising in industrial journals. The Company is participating in industrial exhibitions, such as, CeMat, etc. to promote the products. The Company is trying to enter into the Crane business, which is quite large in the country and is studying various options available.

The Company is making concerted efforts to export its products in the Middle East, U.S.A. and neighbouring countries. The company had participated in the ProMat exhibition, which was held in Chicago, USA, in March, 2011. The company is also making efforts to obtain CE marking for its products, so that, it can export its products to Europe and other countries.

The Company faces competition from the unorganized sector manufacturing similar products as well as imports from China, which are cheaper. The Company has been successful in meeting this competition through cost effective production, reduction in prices of the products, aggressive marketing efforts, better quality products and good after-sales-service. The Company is also facing competition from foreign manufacturers, who have set-up operations in India. The Company is making efforts to upgrade its products to meet this challenge.

(c) Financial Review / Segment wise Performance :

The Company has achieved gross revenue of Rs.118.59 Crores, as against Rs.84.40 Crores in the previous year. The profit before tax is Rs.43.81 Crores as against Rs.24.21 Crores in the previous year. The net profit after tax stands at Rs.29.91 Crores as against Rs.14.39 Crores in the previous year.

Segment Performance :

Name of the segment	Segment Revenue for the year 2010-11	Segment Revenue for the year 2009-10
Materials Handling Equipments	1,187,729,775/-	834,144,958/-
Windmill Segment	22,386,140/-	27,255,783/-

(d) Internal Control Systems and their adequacy:

The Company has got adequate internal control system commensurate with its size and nature of business. The Company has engaged the services of a reputed Internal Audit firm. The report of the Internal Auditor is reviewed regularly by the Audit Committee of the Board of Directors and corrective actions are taken by the Management.

(e) Risks and Concerns:

The Company is engaged in the manufacturing and marketing of Material Handling Equipments and its demand potentialities are linked with infrastructural development, capital equipment growth and big projects' expansion activities. Any negative change in the outlook of this sector can affect the Company's performance. The Government of India and other state governments have given priority to infrastructural development and as such, the capital goods industry is expected to grow at a rapid pace.

The Company has adequate capacity in its Khopoli factory. This has enabled the Company to be more competitive, to meet the market demand and reduce delivery period. Effective steps are constantly taken to control costs, improve the quality of the products and strengthen the internal control procedures.

(f) Business Out-look:

The Indian economy appears to be steadily improving. The Company will be able to sustain the growth in view of its good brand image, wide range of good quality products and quicker delivery.

(g) Development in Human Resources / Industrial Relations front :

The Company continued its endeavour in maintaining peace and harmony at all levels of employment in the organization in the year under review. At present, the Company has 107 employees comprising of engineers, marketing staff, commercial staff and workmen.

(h) Cautionary Statement:
