INSPIRED EXCELLENCE
ANNUAL REPORT 2019

Our New Identity

The Wheel

The wheel is perhaps the most definitive testament to human invention. It symbolizes progress, being integral to the great machines that drive the modern world.

The Star

The star has always been a totem for dreamers. Its brightness in the sky led ancient wayfarers across the earth. To this day, stars inspire us to look up, see ahead and think beyond.

While the wheel keeps us moving, it is the star that guides our way.
