*Life of Shri R. P. Nevatia, Founder Chairman:*

*Hirect family fondly remembers the Vision and Leadership of its Founder Chairman Shri. R. P. Nevatia, at the time of completing its 50 years service in the Power Electronics Industry. Besides, being the founder Chairman of HIRECT, Shri. R. P. Nevatia was a highly regarded and respected leader in the Sugar and Cement Industries of India. Some of the well accepted industry norms in the Sugar and Cement industries are based on the work and contribution of Shri. R. P. Nevatia.*

*Shri R. P. Nevatia was known for very high "business acumen" and "Commitment To Work" which enabled him to simultaneously guide and lead many Bajaj Group companies' viz., Mukund Ltd., Bajaj Hindustan Sugar Ltd., Bajaj Electricals etc. for many years. He is also reckoned as a true Trustee in the Corporate Sector, and he was one of the real self made examples of the same.*

*We at HIRECT continue to get inspired by our Founder Chairman and pledge to live up to his ideals.*

*Dear Shareholders,*

*The Golden Jubilee year 2007-08 has been a year of sustained growth in both Sales and Profits in spite of inflationary pressures and enhanced competition.*

*The Company has taken several strategic steps to build a sustainable competitive advantage of lowering manufacturing cost, increasing customer equity and creating new foreign tie-ups for ensuring HIRECT's good fortune for times to come.*

*India will continue to be an attractive market particularly, in Infrastructure, Power, Metal and core sectors where HIRECT's products will be at the service of the customers. However steep increase in Oil and Metals like Copper, Aluminium and Steel will generate a cost push challenge for which your company is all geared up.*

*I greatly value the contribution and support of all our Stakeholders viz., Suppliers, Dealers, Customers, Bankers, Foreign Associates and all other well wishers in making HIRECT complete its Golden Jubilee year on a happy note. We seek your support in future as well.*

*With best wishes,*

*S. K. Nevatia,  
Chairman &  
Managing Director*

*Expansion of Hirect in Dehradun (Uttarakhand)*

*Seeking Blessings of Shri N. D. Tiwari, Governor of Andhra Pradesh,  
former Chief Minister of Uttarakhand and  
former Cabinet Minister in Government of India*

*During the Golden Jubilee year, HIRECT, in order to complement its diode/thyristor stack business has entered into license agreement for the manufacture of IGBT Prime Stack with technical know-how from Infineon.*

*Agreement Signing by Mr. Vinod Maria, HIRECT President  
&*

*Mr. Martin Hierholzer Sr. Director AIM PMD ID, INFINEON*

Report  junction.com

*During the Golden Jubilee year, HIRECT has signed another technology License Agreement with Transtecnik for 3 x 130 KVA Static Convertors for 3 Phase Locomotives.*

*Agreement Signing by Mr. Vinod Maria, HIRECT President
