OPERATIONS:

As envisioned, the output from Dehradun plant has been continuously improving with sustained efforts combined with aggressive marketing, the Company has been able to book higher orders despite keen competition resulting in increased sales. These two factors have helped the Company to show marked improvements in the top-line and bottom-line.

The Company continues its policy of assertive marketing, vendor development and outsourcing of intermediate products which will reflect in better results at the end of financial year 2011-2012.

The Company's performance further improved due to the following :

- The Company supplied 2 MW Traction sub-station with HIRECT rectifier sets for Mumbai Monorail which is the first monorail in India in the year 2010-2011. The Company is targeting the business of Monorail in India and South East Asia for further growth.
- The Company executed an order with a rating of 6MW for graphite application and the Company expects to do further business in this area in the coming financial year. The market in India of High Current Rectifiers (Water Cooled) is showing positive signs of improvement.
- The Company will continue its sustained efforts in the export market in the current year to create a niche in the global market.
