EXPLANATORY STATEMENT UNDER SECTION 173(2) OF THE COMPANIES ACT, 1956 AND THE REPORT OF THE BOARD OF DIRECTORS UNDER SECTION 23(1)(B) OF THE SICK INDUSTRIAL COMPANIES (SPECIAL PROVISIONS) ACT, 1985.

Under Section 23 of the Sick Industrial Companies (Special Provisions) Act, 1985, if the accumulated losses of an Industrial Company as at the end of any financial period have resulted in erosion of 50% or more of its peak networth during the immediately preceding four financial years, the Company is required within a period of 60 days from the date of finalisation of the duly Audited Accounts of the Company for the relevant financial year to report the fact of such erosion to the Board of Industrial and Financial Reconstruction and hold a General Meeting of the shareholders of the Company for considering such erosion.

The peak networth of the Company during immediately preceding four financial years was Rs. 5207.59 lacs. Based on Audited Accounts for the period ended 31st December, 1999, which will be finalised by adoption at the AGM of the Company to be held on Wednesday, 28th June, 2000, the Company's networth as on 31st December, 1999 is Rs. 494.81 lacs.

In the above circumstances, the Extra-Ordinary General Meeting is called to consider the subject as set out in the Agenda in compliance with the requirements of Section 23(1)(a)(ii) of the Sick Industrial Companies (Special Provisions) Act, 1985. The causes for the erosion are as under:

1. Company continues to suffer due to unequal competition with the decentralised sector.
2. Steep rise in the major input costs such as power, fuel, water charges, labour etc., which company is unable to pass on to its customers.

3. General recessionary conditions and over capacities prevailing in domestic as well as in and international markets.
4. Fiscal disadvantage to composite mills with introduction of stenter duties on independent processors.

The remedial steps being taken are as under:

1. Company has made detailed plans for operational improvement in the areas such as labour rationalisation, productivity and quality improvement, product-mix changes, cost cutting etc. These are being implemented vigorously.
2. The Company is negotiating with Financial Institutions and Banks for restructuring of loans including interest, which is expected to be finalised shortly.
3. Company's EOU Unit at Karad has been debonded with effect from 1st April, 2000, whereby DEPB benefit is now available for grey exports of Non-EOU Units.

The shareholders are requested to take note of the above. The Company will be reporting the matter to the Board of Industrial and Financial Reconstruction as per the requirement of Section 23(1)(a) of the Sick Industrial Companies (Special Provisions) Act, 1985.

No Director of the Company is concerned or interested in the subject.

Item No. 9

The Company is carrying on the fabric processing business at its Process House Undertaking located at Prabhadevi, Mumbai. Compared to the processing units in other parts of the country, Units located in Mumbai are at a disadvantage because of very high input costs such as power, fuel, water charges etc. Moreover, independent Process Houses pay much lower Excise Duties based on Stenter capacities. Therefore, the Board of Directors of the Company, in consultation with the advisors of the Company have concluded that it would be in the best interests of the Company to sell, transfer or otherwise dispose off, as a going concern, the Process House Undertaking of the Company.

Section 293(1)(a) of the Companies Act, 1956, requires that where the Board of Directors of a public company propose to dispose off an Undertaking of the Company, the consent of the company in general meeting is required to be obtained. Accordingly, the Ordinary Resolution set out at Item No. 9 of the accompanying notice is placed for approval of the members.

The Board now feels that it may become necessary in the future to independently link this unit with suitable processing facilities to take advantage of the better markets which prevail for processed fabrics. Therefore, the Board, in consultation with the advisors of the Company have concluded that it would be in the best interests of the Company to transfer the said modern unit to Satark Investments Limited, a wholly owned subsidiary of the Company.

Section 293(1)(a) of the Companies Act, 1956, requires that where the Board of Directors of a public company propose to dispose off an Undertaking of the Company, the consent of the Company in general meeting is required to be obtained. Accordingly, the Ordinary Resolution set out at Item No.10 of the accompanying notice is placed for approval of the members.
