DIVIDEND

Yours directors regret to inform you that on account of insufficient profit in the company no dividend is recommended for the year ended 31st March 2012.

OPERATIONS

During the year under review:

The Company continues to increase the sales of Carton Sealing Tapes and other Specialty Adhesive Coated products by providing the customers an excellent quality product backed by dedicated customer services. The Company continues to add value to the product and has focus towards using self adhesive tapes as both a security feature and as well as a product branding tool which have resulted in higher sales and as well better contribution to the profits of the company in the current year.

The Company has now the focus on converting 100% of the BOPP film production into adhesive tapes and has undertaken an initiative to upgrade the quality of the film by some major changes in the critical components of the film plant which will become operational by June 2012. The installation of the new adhesive coating machine initiated last year is still under process and it will become operational by April 2012 helping to further covert more of the BOPP film into adhesive tapes.

The Company has commenced production of POF shrink films from 16th March, 2012 in the new location at Roorkee in Uttarakhand and this new product will also help significantly in improving the sales turnover of the company and enhancing its profits in the current financial year.

CURRENT SCENARIO

The growing sales of Carton Sealing Tapes and the acceptance of the new products developed by the Company for the Indian market and as well growth in the FMCG sector in India for all manufactured products and services provides ample opportunity for the Company to utilize full capacities for production of Self Adhesive Tapes and be able to focus on building its Brand and Image as a quality supplier of Adhesive Coated Products in India.

HINDUSTAN ADHESIVES LIMITED -

The goodwill that the Company commands because of superior quality products makes it a preferred choice supplier to many new and existing multinational companies setting up facilities in India and also leading domestic companies who prefer to rely on the company for all of their requirements of packaging tapes and POF shrink films.

The good results of the company has been encouraging the management to expand and explore more opportunities in the terminal end packaging sector and in the future it would be able to take more advantage of the global network created by it over the last few years with consistent exports to various parts of the world for different types of packaging materials.

FINANCIAL RESULTS

The total income of the Company has increased marginally by about 6.3% despite the slowdown in the global economy, whereas the PAT has decreased by about 11.59%, due to the volatility in raw material prices during the year and the higher rates of interest charged by the lenders.

The Company is confident of further improving the performance in the Current financial year and is pleased to inform you that it is moving towards greater success and prosperity and would keep looking for new opportunities to expand the business in the packaging industry.
