2. DIVIDEND

The Directors are happy that this year they are able to recommend, albeit small, a dividend of Rs.33,00,000, being 6% of the paid up equity capital of the Company, out of the profits for the year (previous year : nil).

3. PERFORMANCE

Despite the continuing recessionary conditions, both in global and domestic markets, affecting the automobile industry in particular, the Company could improve its working for the year under review. The Sales turnover has increased by 4% , from Rs.54 crores to Rs.56 crores. The performance could have been still better but for the illegal strike by the workmen at the Bhandara Plant for about 4 months during the year.

The Gross Profit has gone up by 26%, from Rs.606 lakhs to Rs.765 lakhs, and the Net Profit, after considering extraordinary item of Rs.110 lakhs, stood at Rs.80 lakhs as against a loss of Rs.98 lakhs in the previous year. Improvement in profitability was achieved mainly with a better product mix and rigorous cost control measures adopted at various levels. Although the business conditions remained very difficult throughout the year, the Company's focused attention towards export / railway business has, to a great extent, off-set the slackness in domestic demand.

Performance of the Company's Paithan Plant was satisfactory.

At its Bhandara Plant, there was disruption of production in the beginning of the year. The Industrial Relations issue was resolved amicably, with a revised productivity linked settlement for 3 years. After signing of the new Agreement, the Plant is now working smoothly. However, the profitability of the Plant is affected mainly because of stiff competition from unorganised sector.

At the Ghatkopar Plant, though the Management had entered into a productivity-linked agreement in year 2000 and some of the surplus manpower was separated under VRS, the situation is still not satisfactory. With the supply/demand proportion turning adverse for most of the products manufactured at Ghatkopar, price realisation continued to be low. Also, despite various efficiencies achieved at operational level as a result of vigorous cost control measures, viz. saving on raw material, power & fuel cost, etc., the desired results at Ghatkopar could not be achieved due to the extremely high labour costs and poor productivity levels.

All the 3 Units and the Head Office of the Company have now been accredited with ISO 9001 (2000) certification by the world renowned DNV, of Netherlands, for manufacturing and marketing of friction materials, sealing materials and insulation materials.

Although a highly competitive situation continues in the current year, the Company expects to post further better results in the coming years with upgradation of

ANNUAL REPORT 2001-02

process technology, improvement in product quality, rationalisation of manpower and several cost cutting measures. The Company has identified growth potential in areas of entire range of Asbestos-free products.

4. EXPORTS

Despite the stiff competitive situation, the Company was able to maintain its growth level and achieved an export turnover of Rs.702 lakhs, registering an increase of 21% over the previous year. The Company has added some new countries in its customer portfolio during the year. The Company has also participated in the AAPEX-2001 Exhibition which was held at Las Vegas, U.S.A. in November, 2001.

5. PUBLIC DEPOSITS

There were no deposits at the beginning of the year and the Company did not accept any deposits from the public during the year.

6. AUDITORS' REPORT

The observation made by the Auditors in their Report is self-explanatory and has also been further amplified in the Notes to the Accounts.

7. PERSONNEL

The information required under Section 217 (2A) of the Companies Act, 1956 is not given as no employee has drawn salary prescribed thereunder.

10. DIRECTORS

The Board records its appreciation for the valuable services rendered by Shri. K. R. Podar, who resigned as Director of the Company owing to indifferent health during the year. Shri. K. R. Podar had been associated with the Company as Director since 1987. During his long tenure as Director, the Company had immensely benefited from his varied experience.

The Board of Directors was pleased to appoint Shri Raghu Mody as Additional Director w.e.f March 1, 2002 after his completion of a successful tenure as Whole-time Director. Pursuant to the provisions of Section 260 of the Companies Act, 1956, he holds office upto the date of the forthcoming Annual General Meeting. Notice under Section 257 of the Companies Act, 1956 and the requisite deposit has been received from a Member, signifying his intention to propose the appointment of Shri Raghu Mody as a Director.

In terms of Article 132 of the Articles of Association read with Section 198, 269 and 309 of the Companies Act, 1956, the Board of Directors re-appointed Shri P. K. Choudhary as Managing Director for a period of 3 years w.e.f. 18th March 2002, subject to confirmation at the forthcoming Annual General Meeting.

Shri V. B. Haribhakti and Shri. T. Akiyama, Directors retire by rotation and being eligible offer themselves for reappointment.

The shareholders will be requested to appoint Auditors at the Annual general meeting.
