1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

1. The first step is to identify the **main idea** of the passage. This is usually found in the first sentence.

2. Next, look for **supporting details** that explain or provide evidence for the main idea.

3. Finally, consider the **conclusion** or **summary** of the passage, which often appears in the last sentence.
