REPORT ON CORPORATE GOVERNANCE

Today almost every country has institutionalized a set of governance, codes, spelt out best practices and has sought to impose appropriate Board structures. Accountability, transparency and integrity from the cornerstone of effective governance. Corporate Governance is a phenomenon that stipulates parameters of accountability, control and reporting functions of the Board of Directors and encompasses the relationships among various participants in determining the direction and performance of the Company.

Corporate Governance is a system of making a management accountable to shareholders for effective management of the companies, in the interests of the company and also with adequate concern for ethics, and values. Corporate Governance recognizes issues like maintaining continuity by succession planing, identifying opportunities and allocation of resources towards the right priority. The development of capital market is always dependent on good corporate governance. There is a need for setting of high standards of corporate governance.

For those who value corporate governance, it is the mark of an era, where the corporate governance has been made mandatory through clause 49 of the Listing Agreement with the stock Exchanges, consequent to the introduction of the code on Corporate Governance by the securities and Exchange Board of India (SEBI), your company has complied with the code as per Schedule of implementation. A report on corporate governance is given below:

1. Board of Directors

The Board of Directors is comprised of 8 members of which one is managing Director, Three are Executive/wholetime Directors and all other Directors are Non-Executive Directors.
