### OPERATIONAL REVIEW

Your company has produced 16538.810 MTs of Ferro Alloys in comparison to 23699.935 MTs during the previous year, registering a reduction of 30.22%. The Company's Gross Turnover for the Financial Year 2008-09 was Rs. 111.23 crores as compared to Rs. 299.18 crores during the previous year registering a reduction of 62.82%.

The sale of silico manganese decreased from 22094.00 MTs to 15761.870 MTs during the current year registering a reduction of 28.66 %. Your Company has sold 75365302 KWH of power as compared to 37499781 KWH during the previous year registering a growth of 100.98%. The sale of Bricks decreased from 7074800 Units to 6125200 Units during the current year registering a reduction of 13.42 %.

With firm commitment and persistent quality & efforts, your Company continues to maintain cordial relation with its customers and added a number of new customers during the year. Our quality product and timely delivery have found wide acceptance in the highly competitive market. During the year under review the Company generated a Net Profit of Rs. 17.50 crores, a growth of 51.12 % as compared to Rs. 11.58 Crores in the previous year due to sale of power in short term market through merchant sale and favorable market condition in the Steel and Ferro Industries.

### **WIND POWER**

The Company had been looking for various opportunities in order to diversify its business, after exploring various options, it was felt that, sector pertaining to renewable energy specially wind and solar energy is the sun rise sector in India at present and investment in this sector would be beneficial for the company. In order to improve the existing business activities of your Company and facilitate competitive edge by way of supply of uninterrupted power, it is proposed to foray into the business of generation of wind/solar power / any other source of power by way of setting up power projects, and to supply, distribute transmit electric or other sources of power. The proposed new business is expected to be conveniently and advantageously combined with the existing business and shall enable the company to carry on such business more economically / efficiently. Besides this, foray into new business of wind and solar power, generally, is expected to be profitable considering the power shortage in the Country and the tax incentives offered by the Government. Your company intends to set-up of a Wind Power Project in the State of Karnataka or any other place as may be Board of directors deemed fit.

The existing clause 45 of "Other Object" of Memorandum of Association (MOA) of the Company of the company enabled the company to generate power through various sources like Solar, Bio etc. except Wind. It is therefore, required to alter the object clause of MOA of the Company in order to enable the company set up wind energy projects. Therefore your directors proposed a Special Resolution through Postal Ballot under the provisions of Section 192A of the Companies Act, 1956 for alteration of Main Object of the Company.
