MANAGEMENT DISCUSSION & ANALYSIS

The Spinning Yarn Industry is a lifeline in Textile Business of India. The majority of employment in India is absorbed by Textile Industry. Keeping in view of its importance the Govt. has constituted a separate Department under Textile Ministry. The Govt. has also constituted a Technology upgradation Fund (TUF) by which concessional Loan/subsidy is granted by Govt. through its various nodal agencies for upgradation in technology.

The Govt. of India has abolished the Quota Regime in Textile Sector which has generated further demand of the product in International as well as National Market, which will certainly improve the profitability of company.

The main Raw Material is cotton, which is based on Agricultural production of Cotton. The production is dependent on Monsoon. In Indian climatic condition the monsoon is always an unpredictable factor. Sometimes there is heavy rainfall & sometime the drought situation is created, which affects the production of Cotton to a great extent creating heavy fluctuation in raw material prices. However, the company could maintain the balance in such a situation & earned profit during the year.
