Packaging Solutions

Dear Fellow Partners,

In the present fast paced world where everybody is on a constant run, if you want to be at the forefront, you should be committed, innovative and flexible to changes while always keeping sight of the long term goals. This is especially true in the packaging sector where today's consumer wants packaged goods that work better, faster, smarter while being affordable.

After the effective merger of the subsidiary company - Clear Mipak Packaging Solutions Limited into the Company, Hitech has widened its activities by providing complete packaging solutions to multi-sector industries. Though while doing the same, the Company will continue to retain its focus on its existing business while exploring new business avenues. In order to truly represent the image of the Company, it has changed its name from 'Hitech Plast Limited' to 'Hitech Corporation Limited'. We believe this step will assist us to expand into greener pastures.

As intimated in our Company's last Annual Report, the manufacturing unit at Rohtak, Haryana was disrupted from 20th February, 2016 due to fire set to the said unit by agitators, resulting in irreparable damage to the property. While the Company made an alternate arrangement to meet the sales requirement, the impact of this arrangement was significant only in the last quarter. Therefore, the performance of this quarter has been satisfactory, but clearly our profitability has been affected due to the disruption of our said facility. We would like to inform you that Hitech has successfully completed the rebuilding tasks of the manufacturing facility at Rohtak by March 2017. In order to meet the growing demand of our customers in the North, we have increased the capacity of the new Rohtak facility.

We are in the midst of building an environment for a strong-growth trajectory with continuous investment towards expanding our manufacturing footprint to serve customer demands. We pledge to be innovative and responsive, while offering high quality sustainable packaging solutions. We affirm and avow our resolve to relentlessly strive to offer better customer experience by driving innovation.

Hitech has made a significant impact in the community by launching a tree plantation drive around its areas of operations and the mid-day meal programme for under-privileged children. It has also collaborated with the Ram Krishna Mission to impart life skills value education to primary, secondary and Industrial Training Institute (I.T.I) students and with INTACH (Indian National Trust for Art & Cultural Heritage) for its current initiative of cleaning the rivers of Pune to bring them back to their original natural state. We shall continue to look for ways for social interventions in the identified areas going forward.

Lastly, we take this opportunity to thank you for maintaining faith in us and make certain that we are and will continue to stay committed to scaling greater heights in all our future endeavours. We look forward to a rewarding journey ahead, together. As always, we deeply value your investments and appreciate your continued patronage.

With Regards,

Malav Dani
